USAGE INSTRUCTIONS

1. **Loading Items:** Place your shampoo, conditioner, soap, razors, loofahs, and other bath essentials into the caddy's compartments. The caddy is designed to hold full-size bottles.
2. **Carrying:** Use the soft silicone handles to comfortably transport the caddy. The handles are designed to distribute weight evenly.
3. **Placement:** Position the caddy in your shower, on a countertop, or in any desired location. The drainage holes at the bottom and sides ensure water does not accumulate, keeping contents dry and preventing mildew.
4. **Versatile Use:** Beyond shower essentials, this caddy can also be used to organize cleaning supplies, children's bath toys, or other household items.

MAINTENANCE

To maintain the cleanliness and longevity of your Brookstone Modern Portable Shower Caddy, follow these simple steps:

- **Regular Cleaning:** Rinse the caddy with warm water after each use to remove soap residue and prevent buildup.
- **Deep Cleaning:** For a more thorough clean, use a mild soap or detergent with a soft brush or sponge. Gently scrub all surfaces, paying attention to the drainage holes.
- **Drying:** Allow the caddy to air dry completely in a well-ventilated area. The integrated drainage holes facilitate quick drying.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, harsh chemicals, or scouring pads, as these may damage the plastic material.

TROUBLESHOOTING

- **Water Pooling:** If water pools in the caddy, ensure all drainage holes are clear of debris. Regular rinsing helps prevent blockages.
- **Unstable Placement:** Ensure the caddy is placed on a flat, stable surface to prevent tipping, especially when fully loaded.
- **Difficulty Carrying:** If the caddy feels too heavy, consider reducing the number or size of items stored. The handles are designed for comfortable transport of typical bath essentials.
