## TUSHY Classic 3.0

# TUSHY Classic 3.0 Bidet Toilet Seat Attachment

## USER MANUAL

Brand: TUSHY | Model: Classic 3.0

### INTRODUCTION

---

The TUSHY Classic 3.0 Bidet Toilet Seat Attachment is a non-electric, self-cleaning water sprayer designed to enhance personal hygiene. It features adjustable water pressure and nozzle angle control for a customized cleaning experience. This manual provides comprehensive instructions for installation, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your TUSHY bidet.

## PRODUCT FEATURES

- **TUSHY 3.0 Design:** Upgraded comfort and aesthetics.
- **Non-Electric Bidet Attachment:** Operates without electricity, simplifying installation.
- **Patented SmartSpray Nozzle:** Ensures effective and hygienic cleaning.
- **Precision Nozzle Adjuster:** Allows for targeted control of the spray angle.
- **Water Pressure Control:** Provides variable and controllable water pressure for a personalized experience.
- **Fast & Easy to Install:** Designed for quick and straightforward home installation.

Image: Key features of the TUSHY Classic 3.0, including the patented Schmutz Shield and Smart Spray nozzle.

## SETUP & INSTALLATION

The TUSHY Classic 3.0 is designed for quick and easy installation, typically taking less than 10 minutes.

All necessary components are included.

### What's Included:

- TUSHY Classic 3.0 Bidet Attachment (Dimensions: 16"L x 9"W x 3.5"H, Weight: 2 lbs)
- Tank Adapter and Flexible TUSHY hose
- TUSHY Classic 3.0 Owner's Manual

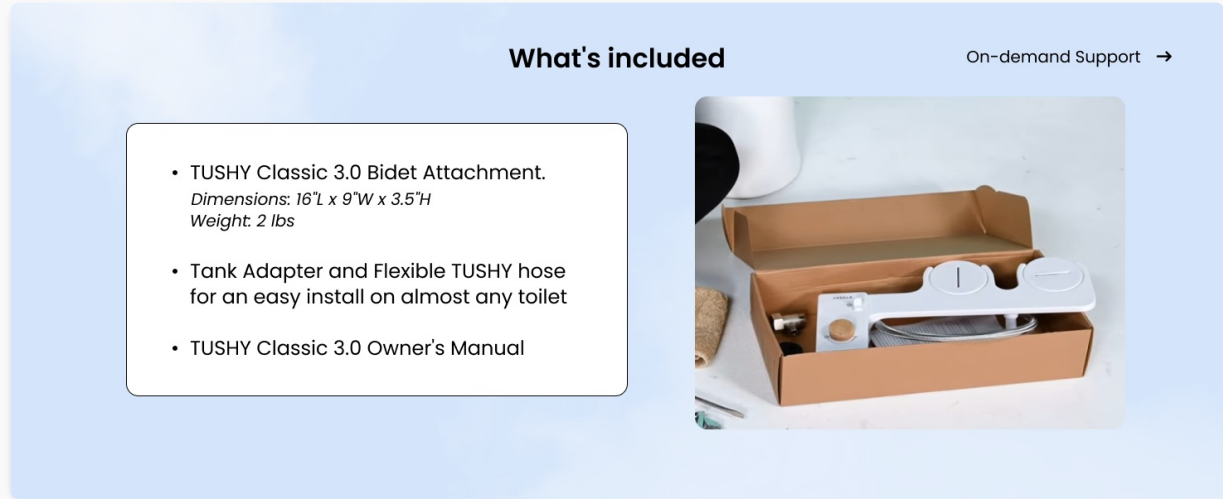

Image: All components included in the TUSHY Classic 3.0 package.

### Installation Steps:

1. **Unscrew your toilet seat:** Carefully remove your existing toilet seat from the toilet bowl.

Image: Step 1 - Removing the toilet seat.

2. **Pop the TUSHY on:** Place the TUSHY bidet attachment onto the toilet bowl, aligning the holes with the toilet seat mounting points.

Image: Step 2 - Positioning the TUSHY bidet attachment.

3. **Connect the water and seat:** Connect the flexible TUSHY hose to your toilet's water supply and the bidet attachment. Reattach your toilet seat securely over the bidet attachment.

Image: Step 3 - Water connection and reattaching the toilet seat.

**Your TUSHY Classic 3.0 is now ready for use!**

## OPERATING INSTRUCTIONS

The TUSHY Classic 3.0 features intuitive controls for a personalized cleaning experience.

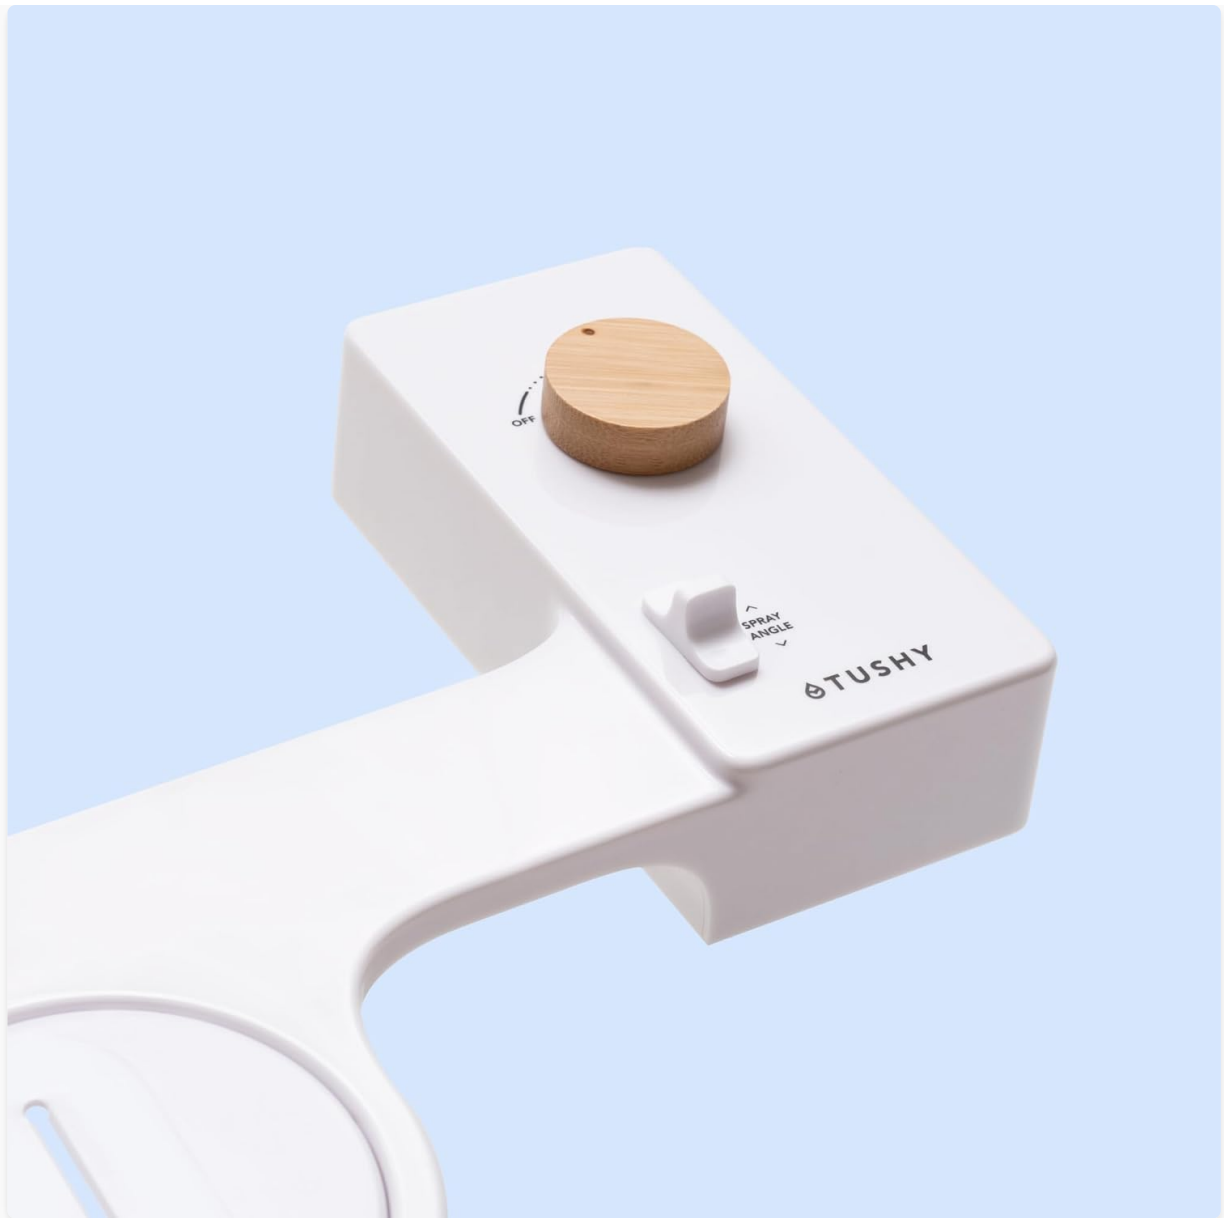

Image: Control panel of the TUSHY Classic 3.0.

- **Water Pressure Control:** Rotate the main knob (bamboo knob) to adjust the water pressure. Turn it clockwise for increased pressure and counter-clockwise for decreased pressure. Start with a low setting and gradually increase to your comfort level.
- **Nozzle Angle Control:** Use the small lever located near the main knob to adjust the spray angle of the nozzle. This allows for precise targeting.
- **Self-Cleaning Nozzle:** The patented SmartSpray nozzle automatically cleans itself before and after each use and retracts when not in use, ensuring hygiene.

## MAINTENANCE

---

Regular maintenance ensures the longevity and hygienic operation of your TUSHY bidet.

- **Nozzle Cleaning:** The SmartSpray nozzle is self-cleaning. For additional cleaning, you can manually extend the nozzle and wipe it with a soft cloth and mild soap.
- **Exterior Cleaning:** Wipe down the exterior of the bidet attachment with a damp cloth and mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.
- **Flange Cleaning:** The patented rotating flanges are designed for easy cleaning. Simply wipe them down as needed.

- **Periodic Inspection:** Periodically check all connections for any signs of leaks. Tighten connections if necessary, but do not overtighten.

## TROUBLESHOOTING

---

If you encounter any issues with your TUSHY Classic 3.0, refer to the common problems and solutions below:

- **No Water Spray:**
  - Ensure the water supply valve to the toilet is fully open.
  - Check if the bidet's water pressure knob is turned to an active setting.
  - Verify that the hose connections are secure and not kinked.
- **Low Water Pressure:**
  - Increase the water pressure using the control knob.
  - Check your home's main water pressure.
  - Ensure no clogs in the nozzle (perform manual cleaning if needed).
- **Leaks from Connections:**
  - Turn off the water supply.
  - Check all hose connections and ensure they are hand-tightened securely. Do not overtighten with tools, as this can cause damage.
  - Ensure rubber washers are properly seated in all connections.
- **Nozzle Not Retracting/Extending Properly:**
  - Ensure the water pressure knob is in the 'Off' position when not in use.
  - Check for any debris obstructing the nozzle's movement. Clean the nozzle area thoroughly.

## SPECIFICATIONS

---

Feature	Detail
Manufacturer	TUSHY
Part Number	706970427228
Item Weight	2.42 pounds
Product Dimensions	15.85 x 8.4 x 0.51 inches
Item Model Number	Classic 3.0
Color	White/Bamboo
Style	Cool Water
Material	Acrylonitrile Butadiene Styrene

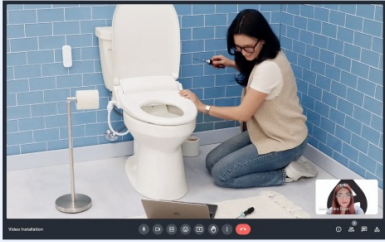

Installation Method	Single Hole
Number of Handles	1
Mounting Type	Toilet Seat Mount
