

Carrera 2037T/S

Carrera 2037T/S Sunglasses User Manual

Model: 2037T/S

1. INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Carrera 2037T/S Sunglasses. Please read it thoroughly to ensure optimal performance and longevity of your eyewear.

2. SAFETY INFORMATION

Your Carrera sunglasses are designed to provide protection from harmful UV rays. However, they are not intended for direct observation of the sun or for use as industrial safety glasses.

- Do not use for driving at night or in conditions of poor visibility.
- Avoid exposure to extreme temperatures, as this may damage the frame or lenses.
- Keep out of reach of small children to prevent accidental damage or injury.

3. SETUP AND FIRST USE

Upon receiving your Carrera 2037T/S Sunglasses, inspect them for any visible damage. No assembly is required.

3.1 Initial Cleaning

Before first use, gently clean the lenses with the provided microfiber cloth to remove any dust or smudges from packaging.

3.2 Fit Adjustment

The sunglasses are designed for a comfortable fit. If minor adjustments are needed for the nose pads or temples, it is recommended to visit a professional optician to avoid damaging the frame.

4. OPERATING INSTRUCTIONS

To wear your Carrera 2037T/S Sunglasses:

1. Gently unfold the temples.

2. Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears.
3. To remove, grasp the temples and lift the sunglasses away from your face.

5. MAINTENANCE AND CARE

5.1 Cleaning Lenses and Frame

- Use a clean microfiber cloth specifically designed for eyewear.
- For stubborn smudges, use a mild soap solution or an approved lens cleaning spray and rinse with lukewarm water.
- Avoid using paper towels, clothing, or harsh chemicals, as these can scratch the lenses or damage coatings.

5.2 Storage

When not in use, store your sunglasses in their protective case to prevent scratches and damage. Avoid leaving them in direct sunlight in a vehicle, as high temperatures can warp the frame.

6. TROUBLESHOOTING

- **Lenses appear smudged or dirty:** Clean with a microfiber cloth and appropriate lens cleaner. Ensure the cloth is clean and free of debris.
- **Sunglasses feel loose:** Minor adjustments to the temples or nose pads may be required. It is recommended to seek assistance from a professional optician for adjustments to prevent damage.

- **Scratches on lenses:** Unfortunately, lens scratches are generally permanent. Proper storage in a case can help prevent them.
