FEISEDY B2937

FEISEDY Fashion Square Sunglasses User Manual

Model: B2937

INTRODUCTION

Thank you for choosing FEISEDY Fashion Square Sunglasses. These sunglasses are designed to provide both style and essential eye protection. Featuring a trendy square design, comfortable nose pads, and robust construction, they are suitable for various outdoor activities while ensuring clear vision and UV400 protection. This manual provides important information on how to properly use, care for, and maintain your sunglasses to ensure their longevity and optimal performance.

SETUP

Your FEISEDY sunglasses come ready to wear. No assembly is required. Upon receiving your sunglasses, please perform the following steps:

1. **Unpackaging:** Carefully remove the sunglasses from their packaging. Inspect for any visible damage during transit.

2. **Initial Inspection:** Check the lenses for any smudges or dust. Ensure the hinges operate smoothly and the frame is intact.
3. **Fit Check:** Gently place the sunglasses on your face. The nose pads should rest comfortably on your nose, and the temples should extend securely over your ears without causing pressure points.

OPERATING INSTRUCTIONS

These sunglasses are designed for general purpose use and offer UV400 protection, blocking 100% of harmful UVA and UVB rays. They are suitable for various outdoor activities.

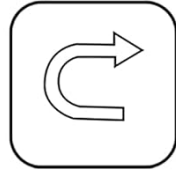

- **Wearing:** Hold the sunglasses by the temples and gently place them on your face, ensuring the nose pads sit comfortably on your nose bridge.
- **UV Protection:** The lenses provide UV400 protection, which is essential for protecting your eyes from the sun's harmful ultraviolet rays.
- **Adaptability:** Ideal for activities such as walking, driving, shopping, and photography.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the clarity of your FEISEDY sunglasses.

• Cleaning:

- Use mild soap water or a neutral detergent.
- Gently wipe the lenses and frame dry with the soft glasses cloth provided or a clean microfiber cloth. Avoid using paper towels or rough materials, which can scratch the lenses.

• Storage:

- When not in use, store the sunglasses in their protective case to prevent scratches and damage.
- Avoid exposing sunglasses to high temperatures (e.g., dashboard of a car in direct sunlight) or damp environments for prolonged periods, as this can damage the frame and lens coatings.

- **Handling:** Always hold sunglasses by the frame, not the lenses, to avoid smudges and potential damage.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Issue	Possible Cause	Solution
Lenses appear smudged or dirty.	Fingerprints, dust, or improper cleaning.	Clean with mild soap water and a microfiber cloth as per maintenance instructions.
Sunglasses feel loose.	Hinges may have loosened over time.	Gently tighten the screws on the hinges using a small eyewear screwdriver. Do not overtighten.
Scratches on lenses.	Improper storage or abrasive cleaning.	Unfortunately, lens scratches are often permanent. Prevent by always storing in a case and cleaning properly.
