Samsung EF-VF936LBEGUS

SAMSUNG Galaxy Z Fold4 Leather Cover Instruction Manual

Model: EF-VF936LBEGUS

1. Introduction

The SAMSUNG Galaxy Z Fold4 Leather Cover is designed to provide premium protection and enhance the aesthetic of your Galaxy Z Fold4 smartphone. Crafted from genuine leather, this cover offers a soft surface and robust protection for both the front and back of your device, maintaining its sleek profile.

2. Setup: Installing Your Leather Cover

Follow these steps to properly install the leather cover on your Samsung Galaxy Z Fold4:

1. Ensure your Galaxy Z Fold4 is clean and free of dust or debris.
2. The Leather Cover consists of two separate pieces: one for the front screen and one for the back of the phone.
3. Carefully align the back piece of the cover with the rear of your Galaxy Z Fold4, ensuring the camera cutouts match perfectly. Gently press the cover onto the phone until it securely snaps into place, cradling the edges.
4. For the front piece, align it with the front screen of your device. Some covers may include a pre-applied adhesive strip on the inner edges of the front piece for a more secure fit. Remove any protective film from this adhesive if present. Press the front cover firmly onto the phone, ensuring it aligns with the screen and buttons.
5. Verify that both parts of the cover are securely attached and that all ports and buttons are accessible and functional.

3. Operating: Using Your Protective Cover

The Leather Cover is designed for daily use, offering both protection and comfort.

- **Enhanced Grip:** The genuine leather provides an incredibly soft surface, allowing for a firm and comfortable hold on your device.
- **Front and Back Protection:** The cover is specifically designed to cradle the edges of your phone, adding protection against scratches and minor impacts to both the front and back surfaces.
- **Wireless Power Share:** For optimal Wireless Power Share results, it is recommended to remove the cover.

4. Maintenance: Caring for Your Leather Cover

To ensure the longevity and appearance of your genuine leather cover, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the leather surface with a soft, dry cloth. For minor stains, use a slightly damp cloth with mild soap, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaners, as these can damage the leather.
- **Avoid Exposure:** Protect the cover from prolonged exposure to direct sunlight, extreme temperatures, and excessive moisture, which can cause discoloration or damage to the leather.
- **Handle with Care:** While durable, genuine leather can show signs of wear over time. Avoid sharp objects that could scratch the surface.

5. Troubleshooting

If you encounter any issues with your leather cover, consider the following:

- **Front Cover Detachment:** If the front cover piece feels loose or detaches, ensure it is properly aligned and firmly pressed onto the phone. If adhesive strips are used, verify they are clean and making full contact. Repeated removal and reapplication may reduce adhesive effectiveness.
- **Fit Issues:** Ensure the cover is designed specifically for the Samsung Galaxy Z Fold4 (Model EF-VF936LBEGUS). Incorrect models may not fit properly.
- **Discoloration:** Natural leather can develop a patina over time. If discoloration is unexpected or severe, refer to the maintenance section for care tips.

For persistent issues, contact Samsung customer support.

6. Specifications

Feature	Detail

Brand	Samsung
Model Number	EF-VF936LBEGUS
Compatible Phone Models	Samsung Galaxy Z Fold4
Color	Black
Material	Leather
Form Factor	Basic Case
Item Dimensions (L x W x H)	6.27 x 2.64 x 0.81 inches
