Power On/Off

- Locate the power switch, usually on the side or bottom of the keyboard.
- Slide the switch to the "ON" position to activate the keyboard.
- Slide the switch to the "OFF" position when not in use to conserve battery life.

Playing Music and Sounds

- **Luminous Keys:** The four large, colored keys on the front of the caterpillar will light up and play musical notes or short melodies when pressed. Encourage your child to press these keys to explore different sounds.
- **Instrument Sound Buttons:** Above the luminous keys, there are three distinct buttons, each representing a different musical instrument (e.g., trumpet, drum, guitar). Pressing these buttons will play the sound of the corresponding instrument.
- **Interactive Play:** The combination of luminous keys and instrument sounds provides a rich auditory and visual experience for your child.

MAINTENANCE

- **Cleaning:** To clean the keyboard, wipe it gently with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the product is completely dry before storing or using again.
- **Storage:** Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** Remove batteries if the product will not be used for an extended period to prevent leakage.
