# Wireless Earbuds J51 User Manual

Brand: Jxrev | Model: J51

## INTRODUCTION

---

This manual provides comprehensive instructions for the Jxrev J51 Wireless Earbuds. It covers setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device. Please read this manual thoroughly before using the product.

Image: Jxrev J51 Wireless Earbuds in dark blue, showing the charging case open with one earbud inside and the other earbud resting beside it. The earbuds and case are a deep blue color.

## SAFETY INFORMATION

---

Please observe the following safety precautions:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep out of reach of small children.
- Avoid extreme temperatures and direct sunlight.
- Do not disassemble or modify the device.
- Keep the charging port dry and clean.
- Do not expose to fire or dispose of in fire.

## WHAT'S IN THE BOX

Upon opening the package, ensure all the following items are present:

- Jxrev J51 Wireless Earbuds (Left and Right)
- Portable Charging Case
- USB-C Charging Cable
- User Manual (this document)

Image: A cutaway view of the Jxrev J51 earbud, illustrating the 13mm large-size dynamic driver responsible for crystal clear sound with deep bass and crisp highs.

## SETUP

### Initial Pairing

1. Ensure your device's Bluetooth is turned on.
2. If you have previously connected the earbuds to another device, delete the "J51" Bluetooth connection from that device's settings page.
3. Place both earbuds into the charging case.
4. Close the lid of the charging case to ensure the earbuds are charging.
5. Open the charging case lid and take out both earbuds. They will automatically enter pairing mode.
6. On your device, search for Bluetooth devices and select "J51" from the list to connect.
7. The earbuds will automatically pair with your device when you take them out of the case after the first successful connection.

Image: A visual guide to the one-step pairing process, demonstrating how the earbuds automatically connect to a device upon opening the charging case. It also shows options for single, binaural, and sharing modes.

### 1. How to set up?

1. Delete the Bluetooth connection on your phone's setting page.
2. Put the earbuds to the charging case.
3. Close the lid to charge the earbuds.
4. Take out the earbuds and wait for 20 seconds.

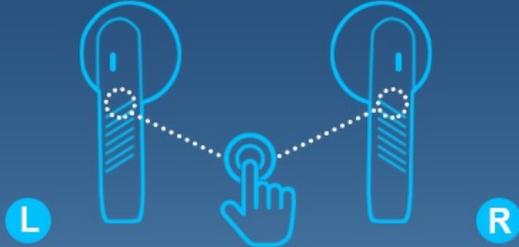

### 2. How to wear it?

Put the earbud in your ear canal and rotate to lock, so you can feel comfortable to wear it.

### 3. How to control? ?

Click twice	/ 📞	▶ / 📞	Click twice
Hold 2s	◀ / 📞 <sup>x</sup>	▶ / 📞 <sup>x</sup>	Hold 2s
Click once Volume -	🔊	🔊	Click once Volume +
Click three times	🎤	🎤	Click three times

Image: A comprehensive diagram illustrating both the setup process (deleting old connections, placing in case, taking out) and the various touch controls for the Jxrev J51 earbuds.

### Wearing the Earbuds

Gently insert each earbud into your ear canal. Rotate the earbud slightly until it feels secure and comfortable. The ergonomic design ensures a snug fit for various activities.

## OPERATING INSTRUCTIONS

### Touch Controls

The J51 earbuds feature intuitive touch controls on both the left (L) and right (R) earbuds. Refer to the table below for specific functions:

Action	Left Earbud (L)	Right Earbud (R)
Play/Pause Music	Double Tap	Double Tap
Answer/End Call	Double Tap	Double Tap
Next Song	N/A	Double Tap
Previous Song	Double Tap	N/A
Reject Call	Hold for 2 seconds	Hold for 2 seconds
Volume Down	Single Tap	N/A
Volume Up	N/A	Single Tap
Activate Voice Assistant	Triple Tap	Triple Tap

Image: An illustration of the Jxrev J51 earbud highlighting its ergonomic design and smart touch control capabilities, with icons for various functions like answering calls, hanging up, skipping tracks, play/pause, voice assistant, and volume adjustment.

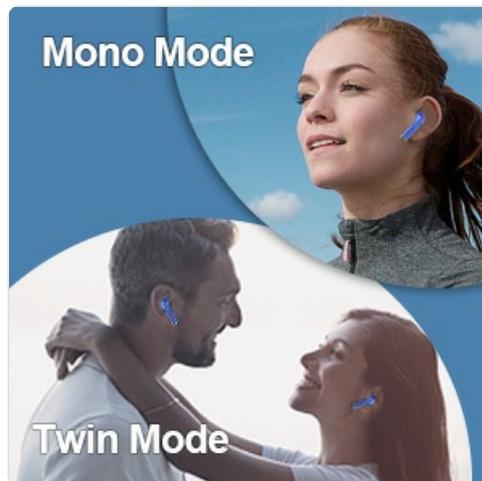

Image: A smartphone screen showing a "Personal Voice Assistant" interface, indicating the earbuds' compatibility with voice assistant features.

### Listening Modes

- **Single Mode:** Use one earbud independently for calls or music while the other is in the charging case.
- **Binaural Mode:** Use both earbuds together for a stereo audio experience.
- **Sharing Mode:** Share one earbud with another person while you use the other, allowing two people to listen to the same audio source.

Image: Two scenarios illustrating the use of earbuds: "Mono Mode" showing a single person using one earbud, and "Twin Mode" showing two people sharing the earbuds.

## MAINTENANCE

---

### Charging the Earbuds and Case

To charge the earbuds, place them back into the charging case. The case will automatically charge the earbuds. To charge the case itself, connect the provided USB-C cable to the charging port on the case and a power source.

- Earbuds playtime on a single charge: 6-8 hours.
- Total playtime with fully charged case: Up to 32 hours.
- Charging case full charge time: Approximately 1 hour via USB-C.

Image: The Jxrev J51 earbuds and charging case, illustrating their battery life with icons for 6-8 hours of single playtime, 32 hours of total playtime with the case, and USB-C fast charging.

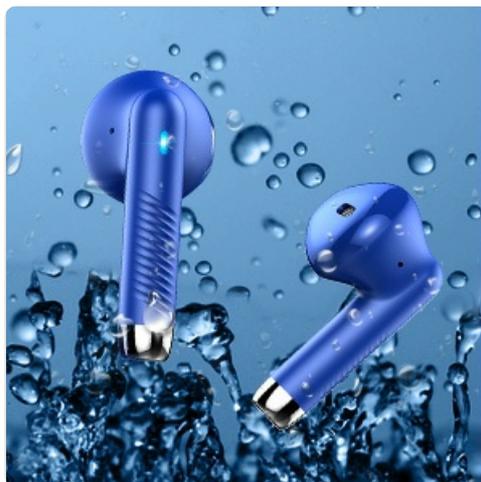

Image: The Jxrev J51 earbuds and charging case prominently displaying "32 hrs", signifying the total battery life available with the charging case.

### Cleaning and Care

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners or solvents.
- The earbuds are IP7 waterproof, meaning they are protected against temporary immersion in water. However, the charging case is not waterproof. Avoid exposing the charging case to liquids.
- Ensure the charging contacts on the earbuds and inside the case are clean and dry before charging.

## TROUBLESHOOTING

---

If you encounter issues with your Jxrev J51 Wireless Earbuds, please refer to the common problems and solutions below:

### Earbuds Not Pairing/Connecting

- **Solution 1:** Ensure both earbuds are charged. Place them in the charging case, close the lid, and then open it again to re-initiate pairing.
- **Solution 2:** Turn off Bluetooth on your device, then turn it back on. Forget or delete "J51" from your device's Bluetooth list and try pairing again from scratch.
- **Solution 3:** Ensure the earbuds are within the Bluetooth range (up to 10 meters) of your device.

### No Sound or Low Volume

- **Solution 1:** Check the volume level on both your device and the earbuds (using touch controls).
- **Solution 2:** Ensure the earbuds are properly seated in your ears.
- **Solution 3:** Disconnect and reconnect the earbuds to your device.
- **Solution 4:** Clean any debris from the earbud speaker mesh.

### Charging Issues

- **Solution 1:** Ensure the USB-C cable is securely connected to both the charging case and the power source.
- **Solution 2:** Try a different USB-C cable or power adapter.
- **Solution 3:** Clean the charging contacts on the earbuds and inside the case with a dry cotton swab.

## WARRANTY AND SUPPORT

---

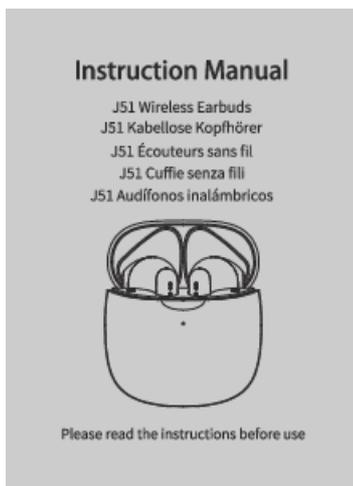

Jxrev products are designed for reliability and performance. For warranty information or technical support, please visit the official Jxrev website or contact their customer service. Keep your purchase receipt as proof of purchase.
