## 2. SETUP

---

### 2.1 What's in the Box

Upon unpacking, verify that all components are present:

- 1 x Coocaa 55Y72 LED TV
- 1 x Remote Control
- 1 x Power Cord
- 1 x Quick Start Guide
- 1 x Warranty Card
- 2 x AAA Batteries (for remote control)
- 1 x Set of Base Stands
- 4 x Screws (for base stands)

### 2.2 Physical Installation

The Coocaa 55Y72 TV supports table mounting. Ensure the TV is placed on a stable, level surface.

1. **Attach Base Stands:** Carefully place the TV screen-down on a soft, clean surface. Align the base stands with the mounting holes on the bottom of the TV. Secure them using the provided screws.
2. **Positioning:** Place the TV in your desired location, ensuring adequate ventilation around the unit.

## 2.3 Connecting Peripherals

Your TV offers multiple connectivity options:

- **HDMI Ports (3):** Connect set-top boxes, Blu-ray players, gaming consoles, or other HDMI-enabled devices.
- **USB Ports (2):** Connect hard drives, USB flash drives, or other USB devices for media playback.
- **Ethernet (LAN) Port:** For wired internet connection.
- **Digital Audio Output:** For connecting to external audio systems.
- **AV Input:** For connecting older devices using composite video and stereo audio cables.

## 2.4 Power Connection

Connect the power cord to the TV's power input and then plug it into a standard electrical outlet. The TV will enter standby mode.

## 3. OPERATING INSTRUCTIONS

### 3.1 Initial Setup and Google TV

Upon first power-on, the TV will guide you through the initial setup process, including network connection (Wi-Fi or Ethernet), Google account login, and channel scanning. The Coocaa 55Y72 runs on Google TV, offering a personalized home screen experience.

- **Personalized Homescreen:** Content recommendations are tailored to your viewing habits.
- **Google Assistant:** Use voice commands via the remote control for search, control, and information.
- **Built-in Chromecast:** Cast content from compatible mobile devices directly to your TV.

- **Display Mirroring:** Mirror your compatible device's screen to the TV.
- **Google Duo:** Supported for video calls (external camera may be required).
- **Swaiot Home:** Integrate with smart home devices.

## 5. MAINTENANCE

### 5.1 Cleaning the Screen

To clean the screen, gently wipe it with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner. Avoid using harsh chemicals, abrasives, or direct spraying of liquids onto the screen.

## 5.2 Cleaning the TV Body

Wipe the exterior of the TV with a soft, dry cloth. Do not use solvents or alcohol-based cleaners.

## 5.3 Remote Control Care

Keep the remote control dry and clean. Replace batteries (2 x AAA) when necessary. The remote features an antibacterial coating for hygiene.

## 6. TROUBLESHOOTING

---

If you encounter issues with your Coccaa 55Y72 TV, refer to the following common solutions:

- **No Power:** Ensure the power cord is securely connected to both the TV and the power outlet. Check if the outlet is functioning.
- **No Picture/Sound:** Verify that the correct input source is selected. Check all cable connections (HDMI, AV).
- **Remote Not Responding:** Replace the AAA batteries in the remote control. Ensure there are no obstructions between the remote and the TV's IR sensor.
- **Network Connectivity Issues:** For Wi-Fi, ensure the router is on and within range. For Ethernet, check the cable connection. Try restarting your router and the TV.
- **Picture Quality Issues:** Adjust picture settings (brightness, contrast, sharpness) in the TV menu. Ensure the content source is of high quality (e.g., 4K content for 4K resolution).
- **Sound Distortion:** Check audio settings. If using external speakers, ensure they are properly connected and configured.

For persistent issues, consult the full user manual available online or contact Coccaa customer support.
