5 Surprise Dino Strike Series 5 Color Change Toy Manual

Official Instruction Manual by ZURU

INTRODUCTION

Welcome to the exciting world of 5 Surprise Dino Strike Series 5 Color Change! This manual provides essential information on how to unbox, assemble, and interact with your new collectible mini dinosaur toys. Each mystery capsule contains one of 13 unique Dinosaurs, complete with color-changing abilities, protective armor, and a fireable weapon. Prepare for epic Dino battles!

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

Recommended Age: 36 months - 10 years.

Always supervise young children during play to ensure safe handling of small parts and proper use of the toy's features.

SETUP: UNBOXING AND ASSEMBLY

Each 5 Surprise Dino Strike capsule contains 5 layers of surprises, leading to a buildable dinosaur figure. Follow these steps to unbox and assemble your Dino:

- 1. Unwrap the Capsule:** Carefully peel off the outer plastic wrapping from the mystery capsule.
- 2. Open the Segments:** The capsule is designed to split into five segments. Gently pull each segment apart to reveal a surprise inside.
- 3. Identify the Parts:** Inside the segments, you will find various parts of your Dino, including its body, head, limbs, tail, protective armor, and a weapon. You will also find a collector's guide.

4. **Assemble the Dino:** Connect the individual body parts to form your dinosaur. Ensure all connections are secure. Some parts may fit snugly, requiring a gentle but firm push.
5. **Attach Armor and Weapon:** Once the Dino is assembled, attach the protective armor pieces to its body and secure the fireable weapon onto the designated slot.

OPERATING YOUR DINO

Your Dino Strike figure is ready for action with its unique features:

- **Color Change Activation:** Each Dino features epic color-changing abilities. To activate, expose the Dino to warm water. Observe as its skin magically changes color!
- **Fireable Weapon:** The attached weapon can blast ammo up to 5 feet (1.5 meters) away. Load the projectile into the weapon and press the trigger mechanism to fire.
- **Articulated Movement:** Your Dino has articulated joints, allowing for dynamic poses and realistic battle action.
- **Interchangeable Parts:** Collect multiple Dinos to mix and match armor and weapons, creating unique battle combinations.

MAINTENANCE

To ensure the longevity of your Dino Strike figures:

- **Cleaning:** Wipe figures with a damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store figures in a cool, dry place away from direct sunlight to preserve color and material integrity.
- **Color Change Feature:** The color change effect is designed to work with warm water. Avoid extreme temperatures.

TROUBLESHOOTING

If you encounter any issues during assembly or play:

- **Parts Not Fitting:** Some parts may be a little tight. Ensure correct orientation and apply gentle, firm pressure. Do not force parts together, as this may cause damage. Refer to the collector's guide for assembly diagrams.
- **Weapon Not Firing:** Check that the projectile is correctly loaded into the weapon mechanism. Ensure there are no obstructions.

- **Color Change Not Working:** Verify that the water used is sufficiently warm. The effect may be less noticeable in very cold water.
