Care and Maintenance

To maintain the appearance and longevity of your Monarch Specialties I 7720 Computer Desk, regularly wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the laminate finish. Promptly clean up spills to prevent staining. Periodically check and tighten all hardware to ensure the desk remains stable and secure.

Troubleshooting

- **Wobbling Desk:** If the desk feels unstable, check that all screws and fasteners are securely tightened. Ensure the desk is placed on a level surface.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the included parts list and contact customer support for assistance.
- **Assembly Difficulties:** Review the assembly instructions carefully. If issues persist, contact customer support for guidance.
