kleankin Wall Mounted Medicine Cabinet User Manual

Model: CA834-4170231

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Ensure the wall mounting surface is structurally sound and capable of supporting the cabinet's weight (15.9 kg / 35 lbs empty) plus contents.
- Maximum overall weight capacity: 33 lbs (15 kg).
- Maximum shelf weight capacity: 11 lbs (5 kg) per shelf. Do not overload shelves.
- Use appropriate hardware for your wall type (wood studs, drywall anchors, masonry anchors). Hardware not included may be required.
- Keep small parts and packaging materials away from children.
- Regularly check all connections and fasteners to ensure they remain tight and secure.

2. PRODUCT OVERVIEW

The kleankin Wall Mounted Medicine Cabinet is designed to provide functional storage and a mirror for your bathroom. It features a modern aesthetic and practical design elements.

Key Features:

- **Modern Style:** Contemporary design suitable for various bathroom decors.
- **2-In-1 Design:** Combines a mirrored door with enclosed compartments and open shelving.
- **Space-Saving:** Wall-mounted design optimizes floor space.
- **Practical Design:** Features cushioned hinges for smooth door operation and melamine coating for water resistance and easy maintenance.
- **Adjustable Shelves:** Internal shelves can be adjusted to three different levels.
- **Towel Bar:** Integrated towel bar for convenience.

Components:

Figure 2.1: Front view of the kleankin Wall Mounted Medicine Cabinet, showcasing the mirrored door and open shelves. This image displays the overall appearance of the cabinet, highlighting its mirrored door and the open shelving on the right side, along with the integrated towel bar at the bottom.

Figure 2.2: The medicine cabinet installed above a sink in a modern bathroom setting.

This image shows the cabinet mounted on a wall in a bathroom, demonstrating its integration into a typical bathroom environment above a sink, with towels hanging from the bar.

FRONT MIRROR

Ideal for daily
makeup, shaving,
styling
and more

Figure 2.3: Illustration of the ample storage space, including two compartments, a 3-tier shelf, and a towel bar. This image highlights the interior storage capabilities, showing the two main compartments behind the mirrored door, the three open shelves on the side, and the towel bar at the bottom, filled with various bathroom items.

ADJUSTABLE SHELVES

This close-up image focuses on the hinges of the cabinet door, illustrating their design for smooth and quiet opening and closing, with an inset showing the hinge mechanism.

SMOOTH METAL HINGES

Open and close
the door **smoothly**
and **quietly**

Figure 2.5: The front mirror is ideal for daily grooming activities such as makeup or shaving. This image shows a person using the integrated mirror for shaving, emphasizing its utility for daily grooming tasks.

Figure 2.6: The adjustable shelves can be set at 3 different levels to accommodate various item heights. This image details the adjustable shelving system within the cabinet, showing the different peg holes that allow for three levels of shelf height adjustment, indicated by a diagram.

Figure 2.7: Close-up view of the integrated towel bar with a folded towel.

This close-up image shows the metal towel bar located at the bottom of the cabinet, with a white towel neatly folded and hanging on it.

Figure 2.8: Items stored on the open shelves, demonstrating practical use.

This image provides a detailed view of the open shelves on the right side of the cabinet, showing various bottles and containers stored, illustrating the practical storage capacity.

3. SETUP AND INSTALLATION

This medicine cabinet requires assembly and surface mounting to a wall. It is recommended that two people perform the installation for safety and ease.

Tools Required (Not Included):

- Drill
- Drill bits appropriate for wall material
- Level
- Measuring tape
- Pencil
- Screwdriver (Phillips head)
- Stud finder (if mounting to drywall)

Installation Steps:

1. **Unpack and Inspect:** Carefully unpack all components and verify against the parts list (not provided in this manual, refer to product packaging). Inspect for any damage.
2. **Choose Location:** Select a suitable wall location, ensuring it is free from electrical wires, plumbing, or other obstructions. Consider the height for comfortable mirror use and access to shelves.
3. **Mark Mounting Points:** Hold the cabinet against the wall at the desired height and use a level to ensure it is straight. Mark the mounting hole locations with a pencil.
4. **Drill Pilot Holes:** Drill pilot holes at the marked locations. The size of the drill bit will depend on your wall material and the type of mounting hardware used.

5. **Install Wall Anchors (if necessary):** If mounting into drywall without studs, install appropriate wall anchors into the pilot holes.
6. **Mount Cabinet:** Align the cabinet with the drilled holes/anchors. Secure the cabinet to the wall using appropriate screws. Ensure all screws are tightened securely, but do not overtighten.
7. **Install Shelves:** Insert the shelf pins into the desired holes for the adjustable shelves. Place the shelves onto the pins.
8. **Attach Towel Bar:** Secure the towel bar to the designated points on the cabinet.

AMPLE STORAGE SPACE

- ① 2 Compartments
- ② 3-tier Shelf
- ③ Tower Bar

Figure 3.1: Overall dimensions of the cabinet: 31.5" W x 6" D x 27.5" H.

This image provides a diagram with the precise measurements of the cabinet, including its width, depth, and height, which are crucial for planning the installation space.

4. OPERATING INSTRUCTIONS

The kleankin medicine cabinet is designed for straightforward daily use.

- **Mirrored Door:** Gently pull the door to open. The cushioned hinges ensure a smooth and quiet operation when opening and closing.

- **Storage Compartments:** Utilize the two enclosed compartments behind the mirrored door for items you wish to keep out of sight.
- **Open Shelves:** The three open shelves provide easy access storage for frequently used items or decorative elements.
- **Adjustable Shelves:** To adjust the height of the internal shelves, remove the shelf and shelf pins, reinsert the pins into the desired holes, and place the shelf back on the pins.
- **Towel Bar:** Use the integrated towel bar to hang hand towels or washcloths.

5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your medicine cabinet.

- **Cleaning the Cabinet:** The melamine coating on the MDF makes the cabinet resistant to water and easy to clean. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mirror:** Use a standard glass cleaner and a lint-free cloth to clean the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into edges.
- **Hardware Check:** Periodically check all screws and fasteners, especially those used for wall mounting and hinges, to ensure they remain tight. Tighten if necessary.
- **Avoid Overloading:** Do not exceed the stated weight capacities for the overall cabinet or individual shelves.

6. TROUBLESHOOTING

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Cabinet feels wobbly after installation.	Mounting screws are loose or not properly secured to wall studs/anchors.	Ensure all mounting screws are tightened. If using wall anchors, verify they are correctly installed and suitable for your wall type. Consult a professional if unsure.
Door does not close smoothly or is misaligned.	Hinges may be loose or require adjustment.	Check hinge screws and tighten if loose. Most hinges allow for minor adjustments using a screwdriver to align the door.
Shelves sag or fall.	Overloaded shelves or shelf pins not fully inserted.	Reduce weight on shelves. Ensure shelf pins are fully seated in the holes.

7. SPECIFICATIONS

Brand	kleankin
Model Number	CA834-4170231
Colour	Natural
Product Dimensions (Overall)	31.5" W x 6" D x 27.5" H (80W x 15D x 70H cm)
Maximum Overall Weight Capacity	33 lbs (15 kg)
