SETUP GUIDE

1. Attaching Your iPad

The HOU F91 Keyboard Case features a strong magnetic design for secure attachment. Simply align your compatible iPad with the case, and the powerful magnets will firmly hold it in place. This allows for easy transformation of your iPad into a laptop-like device.

Strong Magnetic Attraction

135° Angle Adjustable

Instantly Transforms Into a Laptop

Doubles as a Protective Case When Closed

2. Powering On and Bluetooth Connection

To begin using your keyboard, locate the power switch on the side of the keyboard unit. Slide the switch to the 'ON' position. The keyboard will then enter pairing mode, indicated by a blinking light.

On your iPad, navigate to **Settings > Bluetooth**. Ensure Bluetooth is enabled. Look for 'F91 Magic' in the list of available devices and tap to connect. Once connected, the indicator light on the keyboard will become solid, and you can start using your keyboard and trackpad.

OPERATING INSTRUCTIONS

1. Keyboard Features

The HOU F91 Keyboard Case features a full-size keyboard with scissor-type (X-type) structural mechanical keys, providing a comfortable and responsive typing experience with powerful and easy rebound. It also includes 7-color backlighting with 3 brightness levels, allowing you to work efficiently in various lighting conditions.

The touchpad features a new AG glasspanel and global press

which greatly improves smoothness and work efficiency.

2. Multi-Touch Trackpad Gestures

Enhance your iPad experience with the precise, full-area multi-touch trackpad. It features an AG glass panel for greater smoothness and comfort, and supports all iOS shortcut gestures for efficient navigation and multitasking.

- **Single-finger tap:** Select items.
- **Two-finger scroll:** Scroll through content.
- **Pinch to zoom:** Zoom in or out on content.
- **Three-finger swipe up:** Go to the Home screen.
- **Three-finger swipe left/right:** Switch between open applications.
- **Cmd + Space:** Open Search.
- **Cmd + Tab:** Quickly switch between apps.
- **Cmd + H:** Go back to the Home page.

3. Adjustable Viewing Angles

The keyboard case features a sturdy magnetic design with an adjustable hinge, allowing you to set your iPad at various viewing angles (90-130 degrees). This flexibility is ideal for typing, watching videos, reading documents, or engaging in office work, providing optimal comfort and productivity.

MAINTENANCE

Cleaning the Keyboard Case

The keyboard case is made of semi-silicone PU fabric, which offers a silky and comfortable touch while being scratch-resistant and easy to clean. For general cleaning, simply wipe the surface with a damp cloth. For tougher stains, a mild cleaning solution can be used, then wipe dry with a clean cloth.

Video: Demonstrates the ease of cleaning the keyboard case surface by wiping off a mark with a cloth.

TROUBLESHOOTING

Connectivity Issues

- **Keyboard not connecting:** Ensure the keyboard's power switch is ON and Bluetooth is enabled on your iPad. Forget the device in iPad Bluetooth settings and try pairing again.
- **Lagging trackpad/keys:** Ensure the keyboard is fully charged. If issues persist, try restarting both your iPad and the keyboard.

Charging Problems

- **Keyboard not charging:** Use the provided USB-C cable and a compatible power adapter. Ensure the cable is securely connected to both the keyboard and the power source.
