Tribit MoveBuds H1

Tribit MoveBuds H1 Wireless Earbuds User Manual

Model: MoveBuds H1 (BTH95) | Brand: Tribit

1. INTRODUCTION

Welcome to the Tribit MoveBuds H1 Wireless Earbuds user manual. These earbuds are designed to provide a high-quality audio experience with features tailored for active lifestyles. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Key features include IPX8 waterproofing, up to 65 hours of total playtime with the charging case, Transparency Mode for environmental awareness, Bluetooth 5.2 connectivity, Qualcomm aptX audio decoding, and CVC 8.0 noise cancellation for calls.

2. PRODUCT OVERVIEW

The Tribit MoveBuds H1 package includes the wireless earbuds, a charging case, a USB-C charging cable, and multiple sizes of ear tips to ensure a comfortable and secure fit.

TRANSPARENCY MODE

To Hear Ambient Sound against Potential Dangers
- As Not Wearing Earphones.

Figure 2.1: Tribit MoveBuds H1 Earbuds and Charging Case

The earbuds feature a unique design with a rubber fin that helps them stay securely in your ear during various activities. The charging case is compact and provides additional battery life for extended use.

3. SETUP

3.1 Initial Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Tribit MoveBuds H1" from the list to connect. You will hear an audible confirmation once paired.

3.2 Tribit App Integration

Enhance your listening experience by downloading the Tribit app. The app allows you to:

- Upgrade earbud firmware to the latest version.
- Choose from 24 different EQ styles (e.g., Jazz, Bass, ACG).
- Adjust the intensity of the Transparency Mode.

- Select different control gestures for personalized use.

TRIBIT SIGNATURE TRUE SOUND™

13mm high-performance mic driver for increased bass and treble fidelity.

5. CHARGING

The earbuds provide up to 15 hours of continuous listening time on a single charge. The portable charging case extends the total playtime to up to 65 hours.

- Place the earbuds back into the charging case to recharge them.
- Connect the charging case to a power source using the provided USB-C cable.
- The LED indicators on the case will show the charging status.

6. MAINTENANCE

6.1 Waterproofing

The MoveBuds H1 are IPX8 waterproof certified by SGS, offering protection against water immersion. This makes them suitable for intense sports and use in rainy conditions.

MARKET LEADER IN IPX8 WATERPROOF CERTIFIED BY SGS

IPX8 - The Highest Level of Waterproof.

Figure 6.1: IPX8 Waterproof Certification

6.2 Cleaning and Storage

- Regularly clean the ear tips and charging contacts with a soft, dry cloth.
- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid exposing the earbuds to extreme temperatures or harsh chemicals.

7. TROUBLESHOOTING

- **No Sound:** Ensure earbuds are charged and properly paired. Check device volume.
- **Pairing Issues:** Turn off Bluetooth on other devices. Place earbuds back in case, then remove to re-enter pairing mode.
- **Uncomfortable Fit:** Try different sizes of ear tips provided to find the best fit for your ears.
- **Charging Problems:** Ensure the charging cable is securely connected and the charging contacts on the earbuds and case are clean.
