## Max Build More 8372

# Max Build More Egg Capsule x4 Building Block Set Instruction Manual

Model: 8372

## INTRODUCTION

---

Welcome to your Max Build More Egg Capsule x4 set. This manual provides essential instructions for the assembly, use, and care of your building blocks. Each capsule contains components for a mystery vehicle, offering a unique building experience.

## SAFETY INFORMATION

---

**WARNING: Choking hazard - Small pieces. Not for children under 3 years.**

Recommended Age: 3+ years.

## PACKAGE CONTENTS

---

Each Max Build More Egg Capsule x4 set typically includes:

- 4 Max Build More Egg Capsules
- Building blocks for one mystery vehicle per capsule (approximately 40 pieces per capsule)
- Instruction sheets for each vehicle
- Stickers for customization

The specific vehicle inside each egg is a surprise, chosen from themes such as F1 racing, police, fire rescue, and army defense.

## SETUP AND ASSEMBLY

---

### Step 1: Open the Egg Capsule

Carefully open one of the Max Build More Egg Capsules. Inside, you will find a sealed bag of building blocks, an instruction sheet, and stickers.

### Step 2: Identify Components

Empty the contents of the sealed bag onto a clean, flat surface. Familiarize yourself with the various building block pieces and the instruction sheet.

### Step 3: Follow Building Instructions

Refer to the included instruction sheet for your specific mystery vehicle. Each step will guide you through connecting the blocks to form the vehicle.

Image Description: A completed race car vehicle built from Max Build More blocks, featuring a red body, black wheels, and aerodynamic design.

## Step 4: Apply Stickers

Use the provided stickers to customize your vehicle according to the instructions or your preference.

## OPERATION

---

Once assembled, your Max Build More vehicle is ready for play. The blocks are designed to slot together securely for stable constructions.

## Compatibility

Max Build More blocks are fully compatible with other major brick building brands, allowing for expanded creative play and integration with existing collections.

## MAINTENANCE AND STORAGE

---

### Cleaning

To clean the blocks, gently wipe them with a damp cloth. Do not submerge the blocks in water or use harsh chemical cleaners, as this may damage the material or colors.

### Storage

The original egg capsules can be reused for convenient storage of the building blocks and assembled vehicles. This helps to keep pieces organized and prevents loss, making it easier to rebuild or transport your creations.

## TROUBLESHOOTING

---

### Blocks Not Staying Together

- Ensure each block is pressed firmly into place until you feel a secure connection.
- Verify that the correct pieces are being used for each step as per the instructions. Incorrect pieces may not fit properly.
- If a specific piece consistently fails to connect, inspect it for any visible damage or manufacturing defects.

### Missing Pieces

- Double-check all packaging materials and the play area thoroughly to ensure no small pieces were

overlooked.

- If pieces are genuinely missing from a new set, please contact customer support for assistance.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions (per capsule)	3.43 x 4.99 x 3.43 inches
Item Weight (total for 4 capsules)	1.08 pounds
Model Number	8372
