## Medicube Age-R Booster Gel Serum

# Medicube Age-R Booster Gel Serum Instruction Manual

Brand: Medicube

## PRODUCT OVERVIEW

The Medicube Age-R Booster Gel Serum is a multi-purpose serum formulated to enhance the efficacy of Age-R Derma Shot and USSERA skin care devices. It serves as a benefit enhancer for these devices while simultaneously delivering deep nourishment and moisturizing benefits to the skin.

Experience maximum benefits with this gel serum, enriched with active ingredients such as Plant Stem Cell Extract, Hyaluronic Acid, and Collagen. It is designed to rejuvenate and hydrate the skin, promoting a radiant, youthful, and healthy appearance.

## KEY INGREDIENTS

This serum features a blend of potent ingredients to support skin health:

- **Plant Stem Cell Extract:** Known for its regenerative properties.
- **Adenium Obesum Extract:** Provides nourishing benefits to the skin.
- **BSI Certified Hyaluronic Acid:** Delivers intense hydration.
- **Reallagen Collagen:** Aids in improving skin elasticity.

- **Niacinamide:** Supports overall skin health and barrier function.

**Medicube**

# Age-R Booster Gel Serum

## Plant Stem Cell Extract

Contains enzymes, vitamins, and other skin nutritive substances that benefit skin in numerous ways.

## How to Use

---

For optimal results, follow these application instructions:

1. After cleansing your face, apply a small amount of the Age-R Booster Gel Serum to your face.
2. Gently pat the serum into the skin for optimal absorption.
3. When using with Age-R devices (such as Derma Shot or USSERA), apply a generous layer of the gel serum to the desired treatment area and a small dollop directly onto the roller heads of the device.
4. Avoid rinsing or wiping off the serum after application to allow the active ingredients to fully penetrate and work their magic.

## SAFETY INFORMATION

---

Not all skin types are the same. When trying new products, we strongly advise conducting a small patch test before regular usage to ensure skin compatibility. Apply a small amount of the product to a discreet testing area 24 hours in advance of normal application to check for any adverse reactions.

- Keep out of reach of children.
- For external use only.
- Keep out of eyes.
- Stop use if irritation develops.

## PRODUCT SPECIFICATIONS

---
