MUSICOZY RM

MUSICOZY Sleep Headphones Bluetooth Headband RM User Manual

Model: RM

INTRODUCTION

The MUSICOZY Sleep Headphones Bluetooth Headband is designed for versatile use, functioning as both a comfortable sleep mask and a sports headband with integrated audio. It allows you to enjoy music, audiobooks, or podcasts without the need for traditional headphones, providing comfort for side sleepers and active individuals alike. The headband features a built-in microphone for hands-free calling and is suitable for various activities including gym workouts, jogging, yoga, and travel. It can also assist with relaxation and meditation.

This image displays the MUSICOZY Bluetooth headband, highlighting the control panel with volume and play/pause buttons, and the discreetly integrated flat speakers.

SETUP INSTRUCTIONS

1. Charging the Headband

Before initial use, fully charge the headband. Locate the charging port on the control pod. Connect the provided charging cable to the port and plug the other end into a USB power source. The indicator light will show charging status. A full charge typically takes approximately 2 to 2.5 hours.

Wireless Freedom

Compatible with all your Bluetooth devices for a wireless experience

This graphic highlights the extended battery performance, offering over 14 hours of playtime from a 2-hour charge, powered by efficient lithium-ion technology.

2. Bluetooth Pairing

1. Ensure Bluetooth is disabled on all other devices that may have previously connected to the headband.
2. Press and hold the 'on/off' button on the control pod until the indicator light begins to flash red and blue alternately. This indicates the headband is in pairing mode.
3. On your smartphone or other Bluetooth-enabled device, navigate to the Bluetooth settings.
4. Search for available devices and select 'BT-FAAH' from the list to connect.
5. Once connected, the indicator light will typically turn solid blue or stop flashing.

OPERATING INSTRUCTIONS

1. Power On/Off

- **Power On:** Press and hold the 'on/off' button for approximately 3 seconds until you hear an audible prompt or see the indicator light.
- **Power Off:** Press and hold the 'on/off' button for approximately 3 seconds until you hear an audible prompt or the indicator light turns off.

2. Music Playback Control

- **Play/Pause:** Press the central button once.
- **Volume Up:** Press the '+' button once.
- **Volume Down:** Press the '-' button once.
- **Next Track:** Press and hold the '+' button for approximately 2 seconds.
- **Previous Track:** Press and hold the '-' button for approximately 2 seconds.

3. Call Management

- **Answer/End Call:** Press the central button once during an incoming call or to end an active call.
- **Reject Call:** Press and hold the central button for approximately 2 seconds during an incoming call.

4. Wearing the Headband

Position the headband comfortably around your head, ensuring the flat speakers are aligned with your ears. The flexible design allows it to be worn as a traditional headband for sports or pulled down over your eyes to function as a light-blocking sleep mask.

From Sweat to Sleep A Headband and Mask in One!

Fresh and Dry by Day

Soft and Soothing by Night

The headband is versatile, suitable for active use like running, and also functions as a comfortable sleep mask for relaxation.

MAINTENANCE

1. Cleaning the Headband

The fabric headband is machine washable. Before washing, carefully remove the internal control pod and both speakers from their pockets within the headband. After washing, allow the headband to air dry completely before reinserting the electronic components.

This image shows the detachable internal components: the main control module with charging port and indicator light, and the two thin, circular speakers connected by wires.

2. General Care and Storage

- Avoid exposing the electronic components to water or excessive moisture.
- Store the headband in a cool, dry place when not in use.
- Do not attempt to disassemble or repair the electronic components yourself, as this may void the warranty.

for a Soft, Dry, and Breathable
Experience.

The headband is crafted from a soft, breathable spandex-nylon blend fabric with cotton, designed for comfort and hypoallergenic properties.

TROUBLESHOOTING

- **Cannot Pair with Device:**

Ensure the headband is charged and in pairing mode (indicator light flashing red and blue). Turn off Bluetooth on any other devices that might be trying to connect. Restart your device and attempt the pairing process again.

- **No Sound or Low Volume:**

Check the volume levels on both your connected device and the headband. Ensure the headband is properly connected to your device via Bluetooth. Recharge the headband to ensure sufficient power.

- **Short Battery Life:**

Ensure the headband is fully charged for the recommended 2 to 2.5 hours. Environmental factors or high

volume usage can affect battery duration.

- **Intermittent Connection:**

Ensure your device is within the Bluetooth range (up to 10 meters). Avoid obstacles between the device and the headband that might interfere with the signal.

- **Faulty Unit:**

If you experience any manufacturing defects or persistent issues, please refer to the Warranty & Support section for assistance.
