5 five simply smart FIVE-179737

5five Simply Smart Cutting Set with Board

MODEL: FIVE-179737

Instruction Manual

Introduction

This manual provides essential information for the safe and effective use of your 5five Simply Smart 6-piece cutting set. This set includes a cutting board, three stainless steel knives, one ceramic peeler, and one pair of multi-function scissors. Please read these instructions carefully before first use and retain them for future reference.

Product Components

Your 5five Simply Smart cutting set includes the following items:

- **1 x Cutting Board:** Features non-slip edges and a juice groove. Dimensions: 25 x 36 cm. Material: Polypropylene.
- **3 x Knives:** Stainless steel blades with ergonomic soft-touch handles.
- **1 x Peeler:** Ceramic blade.
- **1 x Scissors:** Includes nutcracker and bottle opener functions.

Setup

1. **Unpacking:** Carefully remove all components from the packaging. Dispose of packaging materials responsibly.

2. **Initial Cleaning:** Before first use, wash all items (cutting board, knives, peeler, scissors) with warm soapy water. Rinse thoroughly and dry immediately to prevent water spots and maintain hygiene.

Operating Instructions

Follow these guidelines for safe and effective use of your cutting set:

- **General Safety:** Always handle knives and the peeler with extreme care. Keep fingers away from blades. Store all sharp tools out of reach of children.
- **Cutting Board Use:** Place the cutting board on a stable, flat surface. The non-slip edges help keep it secure during use. The juice groove is designed to collect liquids from cut foods, keeping your countertop clean.
- **Knife Use:** The three stainless steel knives are designed for various cutting tasks. Use the appropriate knife size for the food item. Always cut away from your body. The ergonomic soft-touch handles provide a comfortable and secure grip.

Image: A close-up view of one of the stainless steel knives from the 5five Simply Smart set, highlighting its speckled blade and ergonomic handle.

- **Peeler Use:** The ceramic blade peeler is suitable for peeling fruits and vegetables. Hold the item firmly and peel away from your body. Ceramic blades are very sharp and retain their edge well.
- **Scissors Use:** The kitchen scissors can be used for various tasks such as snipping herbs, opening packages, or trimming food. The integrated nutcracker and bottle opener functions are located on the

handle for added utility.

Maintenance and Care

- **Cleaning:** Hand washing is recommended for all components of the set to preserve the sharpness of the blades and the integrity of the materials. Wash with warm soapy water immediately after use. Avoid abrasive cleaners or scouring pads that could scratch surfaces.
- **Drying:** Dry all items thoroughly with a soft cloth immediately after washing. Do not allow water to air dry on blades, as this can lead to water spots or corrosion over time.
- **Storage:** Store knives, peeler, and scissors in a safe place, such as a knife block, drawer organizer, or the original packaging, to protect the blades and prevent accidental injury. Store the cutting board flat or upright in a dry area.

Troubleshooting

- **Dull Blades:** If knife or peeler blades become dull over time, consider professional sharpening or use a suitable knife sharpener designed for stainless steel and ceramic blades.
- **Stains on Cutting Board:** For stubborn food stains on the polypropylene cutting board, a paste of baking soda and water can be applied, left for a few minutes, then scrubbed and rinsed.
- **Rust Spots on Knives:** Although stainless steel is rust-resistant, prolonged exposure to moisture or harsh chemicals can cause spots. Ensure knives are dried immediately after washing. Minor spots can often be removed with a non-abrasive cleaner.

Specifications

Brand	5 five simply smart
Model Number	FIVE-179737
Color	Black
Cutting Board Material	Polypropylene
Knife Blade Material	Stainless Steel
Peeler Blade Material	Ceramic
Cutting Board Dimensions	25 x 36 cm (9.84 x 0.3 x 9.84 inches)
Item Weight	1.08 Kilograms (2.38 pounds)
Manufacturer	5 five simply smart
