3.2 Pairing with Your Smartphone

1. Download the official TAGG Sports app from the Google Play Store or Apple App Store.
2. Enable Bluetooth on your smartphone.
3. Open the TAGG Sports app and follow the on-screen instructions to pair your smartwatch.
4. Ensure the smartwatch is close to your phone during the pairing process.

3.3 Password Protection

For enhanced security, you can set up password protection on your smartwatch. Navigate to the security settings within the watch or the companion app to configure a PIN.

4.6 Health Tracking

Equipped with TAGG Sense+ Technology, the smartwatch provides comprehensive health monitoring:

- **Blood Oxygen (SpO2):** Real-time SpO2 monitoring.
- **Heart Rate:** Continuous heart rate tracking.
- **Sleep Tracking:** Monitor your sleep patterns and quality.
- **Breath Exercise:** Guided breathing exercises for relaxation.
- **Female Menstrual Cycle Tracking:** Helps track and predict menstrual cycles.

Note: The smartwatch is not a medical device and should not be used for medical diagnosis or treatment.

4.7 Smart Notifications and Reminders

Receive smart notifications for messages, calls, and other important alerts directly on your wrist. The watch also provides helpful reminders such as:

- Drink Water Reminders
- Sedentary Reminders
- Menstrual Cycle Reminders

BEST BATTERY LIFE

Up to 5 Days run time with Bluetooth calling

Image: Smartwatch screens showing various reminder types like drink water and sedentary alerts.

4.8 Watch Faces

Personalize your smartwatch with over 150 cloud watch faces to match your style and mood.

SMART REMINDERS

7. MAINTENANCE AND CARE

To ensure the longevity and proper functioning of your smartwatch:

- Clean the watch regularly with a soft, dry cloth.
- Avoid exposing the watch to extreme temperatures or harsh chemicals.
- Ensure the charging contacts are clean and dry before charging.
- The watch has a water resistance depth of 10 meters, suitable for daily use and light water activities, but avoid hot water or prolonged submersion.

8. TROUBLESHOOTING

If you encounter issues with your smartwatch, try the following steps:

- **Connectivity Issues:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices.
- **App Not Responding:** Close and reopen the TAGG Sports app. If the issue persists, clear the app's cache or reinstall it.
- **Charging Problems:** Check if the charging cable is securely connected and the contacts are clean. Try a different USB power source.
- **Inaccurate Readings:** Ensure the watch is worn snugly on your wrist. Clean the sensors on the back of the watch.

For specific app-related issues, such as the TAGG Sports app stopping unexpectedly, refer to the video below for potential solutions:
