Safety Information

- Do not exceed the maximum weight capacity of 450 pounds (204 kg).
- Ensure all wheels are securely attached before use.
- Distribute weight evenly within the cart to maintain stability.
- Exercise caution when navigating inclines, declines, or uneven surfaces.
- Keep hands and fingers clear of moving parts and folding mechanisms.
- Do not allow children to ride in or play with the cart.
- Store the cart in a dry place to prevent rust and damage.

Package Contents

Verify that all components are present before beginning assembly:

- 1 x Jumbo Shopping Cart Frame
- 2 x Front Swivel Wheels
- 2 x Rear Rubber Wheels
- 1 x English Instruction Manual (this document)
- 1 x Waterproof Liner
- 1 x Box of Assembly Parts (screws, washers, tools)

Setup and Assembly

Assembly of the RXUJYC Super Jumbo Shopping Cart is designed to be straightforward and can typically be completed within 3 minutes. Follow these steps:

1. **Unfold the Frame:** Carefully unfold the main cart frame until it locks into its open position.
2. **Attach Rear Wheels:** Insert the axles of the two larger rear rubber wheels into the designated slots at the back of the cart frame. Ensure they click securely into place.
3. **Attach Front Swivel Wheels:** Insert the stems of the two smaller 360° swiveling front wheels into the corresponding holes at the front of the cart frame. Push firmly until they are fully seated.
4. **Verify Stability:** Gently push and pull the cart to ensure all wheels rotate freely and the frame is stable.
5. **Install Waterproof Liner (Optional):** If desired, place the waterproof liner inside the main basket, securing it with the integrated Velcro fasteners.

All necessary tools and parts are included in the assembly parts box.

Operating Instructions

Loading the Cart

- Place heavier items at the bottom of the main basket for better stability.
- Utilize the extra back basket for smaller items, bottles, or personal belongings to prevent them from being crushed or falling out.
- Ensure the load does not exceed the top edge of the basket to prevent items from falling during transport.

Maneuvering the Cart

- The 360° swiveling front wheels allow for easy navigation around corners and in tight spaces.
- The oversized rear rubber wheels are designed for durability and smooth movement across various surfaces, including sidewalks and slightly rough terrain.
- Push the cart from the padded handle for comfortable control.

Folding for Storage

To fold the cart for compact storage:

1. Empty the cart completely.
2. Locate the folding mechanism (usually a latch or hinge) on the frame.
3. Release the mechanism and carefully fold the cart flat. Ensure the latch engages to keep it closed.

Maintenance

- **Cleaning:** Wipe the cart frame with a damp cloth as needed. For the waterproof liner, hand wash with mild soap and water, then air dry.
- **Wheel Inspection:** Periodically check the wheels for debris, wear, or damage. Clean any accumulated dirt or hair from the axles.
- **Lubrication:** If wheels become stiff, apply a small amount of silicone-based lubricant to the wheel axles and swivel mechanisms.
- **Storage:** Store the cart in a dry environment to prevent rust, especially if exposed to moisture.

Troubleshooting

Problem	Possible Cause	Solution
Cart is difficult to steer or wheels are stiff.	Debris in wheels, lack of lubrication, or damaged wheels.	Clean wheels of debris. Apply lubricant to axles. Inspect for damage; contact support if wheels are broken.
Cart feels unstable.	Uneven weight distribution or overloaded cart.	Redistribute items evenly. Ensure total weight does not exceed 450 lbs.
Cart does not fold flat.	Obstruction in folding mechanism or latch not releasing.	Check for any items blocking the mechanism. Ensure the latch is fully disengaged.

Specifications

Feature	Detail
Model Number	Super Jumbo Shopping Cart 003
Product Dimensions (Unfolded)	21.25"D x 24.6"W x 40.15"H
Main Basket Size	19.48" x 15.74" x 22.44"
Extra Back Basket Size	19.48" x 5.7" x 14.17"
