iHome IHCT5104P

iHome Multiport 40W USB-C Charger (Model IHCT5104P) Instruction Manual

Your guide to efficient and convenient charging.

1. Introduction

This manual provides detailed instructions for the safe and effective use of your iHome Multiport 40W USB-C Charger, Model IHCT5104P. This dual-port wall adapter is designed to provide fast and efficient charging for a variety of compatible devices.

2. Key Features

- **Multiport Charging:** Equipped with two USB-C ports to charge multiple devices simultaneously, reducing clutter.
- **Fast Charging:** Delivers rapid power to compatible devices, significantly reducing charging times.
- **2.5X Faster:** Charges devices up to 2.5 times faster than a standard 5W charger.
- **Flat Design:** Allows for easy access to hard-to-reach outlets and fits snugly behind furniture.
- **Travel-Friendly:** Features foldable prongs for compact storage and portability, ideal for travel.

3. Setup Instructions

1. **Unpack the Charger:** Carefully remove the iHome Multiport 40W USB-C Charger from its packaging.
2. **Unfold Prongs:** Extend the foldable prongs from the charger body.
3. **Plug into Outlet:** Insert the charger firmly into a standard wall outlet. The flat design ensures it sits flush against the wall.
4. **Connect Devices:** Use appropriate USB-C charging cables (not included) to connect your devices to the charger's USB-C ports.

4. Operating Instructions

The iHome Multiport 40W USB-C Charger is designed for simple plug-and-play operation. Once connected to a power source and your devices, it will automatically begin charging.

- **Power Delivery (PD):** When a single Type-C port is used, the charger can provide up to 20W Power Delivery, enabling faster charging for compatible devices.
- **Dual Port Usage:** When both ports are in use, the 40W total output is dynamically distributed between the connected devices to optimize charging speed.
- **Compatibility:** This charger is universally compatible with a wide range of USB-C powered devices, including smartphones, tablets, and other portable electronics.

5. Maintenance

To ensure the longevity and optimal performance of your iHome charger, follow these simple maintenance guidelines:

- **Cleaning:** Disconnect the charger from the power outlet before cleaning. Use a soft, dry cloth to wipe the exterior. Avoid using liquid cleaners or abrasive materials.
- **Storage:** When not in use, store the charger in a cool, dry place. The foldable prongs allow for compact storage.
- **Handling:** Avoid dropping the charger or subjecting it to strong impacts. Do not expose it to extreme temperatures or moisture.

6. Troubleshooting

If you encounter issues with your iHome Multiport 40W USB-C Charger, please refer to the following common solutions:

- **Device Not Charging:**
  - Ensure the charger is securely plugged into a working wall outlet.
  - Verify that the charging cable is properly connected to both the charger and your device.
  - Test with a different charging cable to rule out cable malfunction.
  - Try charging a different device to confirm the charger is functioning.
- **Slow Charging:**
  - Ensure your device and cable support fast charging.
  - If charging two devices, the power output is shared. Disconnect one device to see if the charging speed improves for the other.
  - Avoid using your device extensively while it is charging, as this can slow down the process.
- **Charger Overheating:**
  - It is normal for chargers to become slightly warm during operation. However, if it becomes excessively hot, disconnect it immediately.
  - Ensure adequate ventilation around the charger and avoid covering it.

7. Specifications

Feature	Detail
Brand	iHome
Model Number	IHCT5104P
ASIN	B0B57V1JLP
Color	Lavender
Connector Type	USB Type C
Total USB Ports	2
Wattage	40W (Total)
Input Voltage	5 Volts
Special Feature	Fast Charging, Foldable Prongs
