1. INTRODUCTION

Thank you for choosing the EUGAD Bamboo Wall Mounted Mirror Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before installation and retain them for future reference.

2. SAFETY INFORMATION

Important Safety Instructions:

- Ensure all parts are present and undamaged before assembly. Do not proceed if any parts are missing or broken.
- Always use appropriate tools for assembly.
- Mount the cabinet securely to a sturdy wall structure. Use suitable wall anchors and screws for your wall type (e.g., concrete, drywall studs). If unsure, consult a qualified professional.
- Do not exceed the maximum weight capacity of 15 kg for the top surface and 10 kg for the adjustable shelf.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing heavy or fragile items on the sliding mirror door.
- Clean the mirror and bamboo surfaces with appropriate, non-abrasive cleaners.

3. PACKAGE CONTENTS

Please verify that all components are included in your package:

- Cabinet frame (bamboo)
- Sliding mirror door(s)
- Adjustable shelf(ves)
- Door handles
- Mounting hardware (screws, wall anchors)

- Assembly instructions (this manual)

4. PRODUCT OVERVIEW

The EUGAD Wall Mounted Mirror Cabinet is designed for efficient storage and convenience in various rooms, particularly bathrooms. It features a durable bamboo construction, a space-saving sliding mirror door, and an adjustable interior shelf.

Dimensions and Weight Capacity

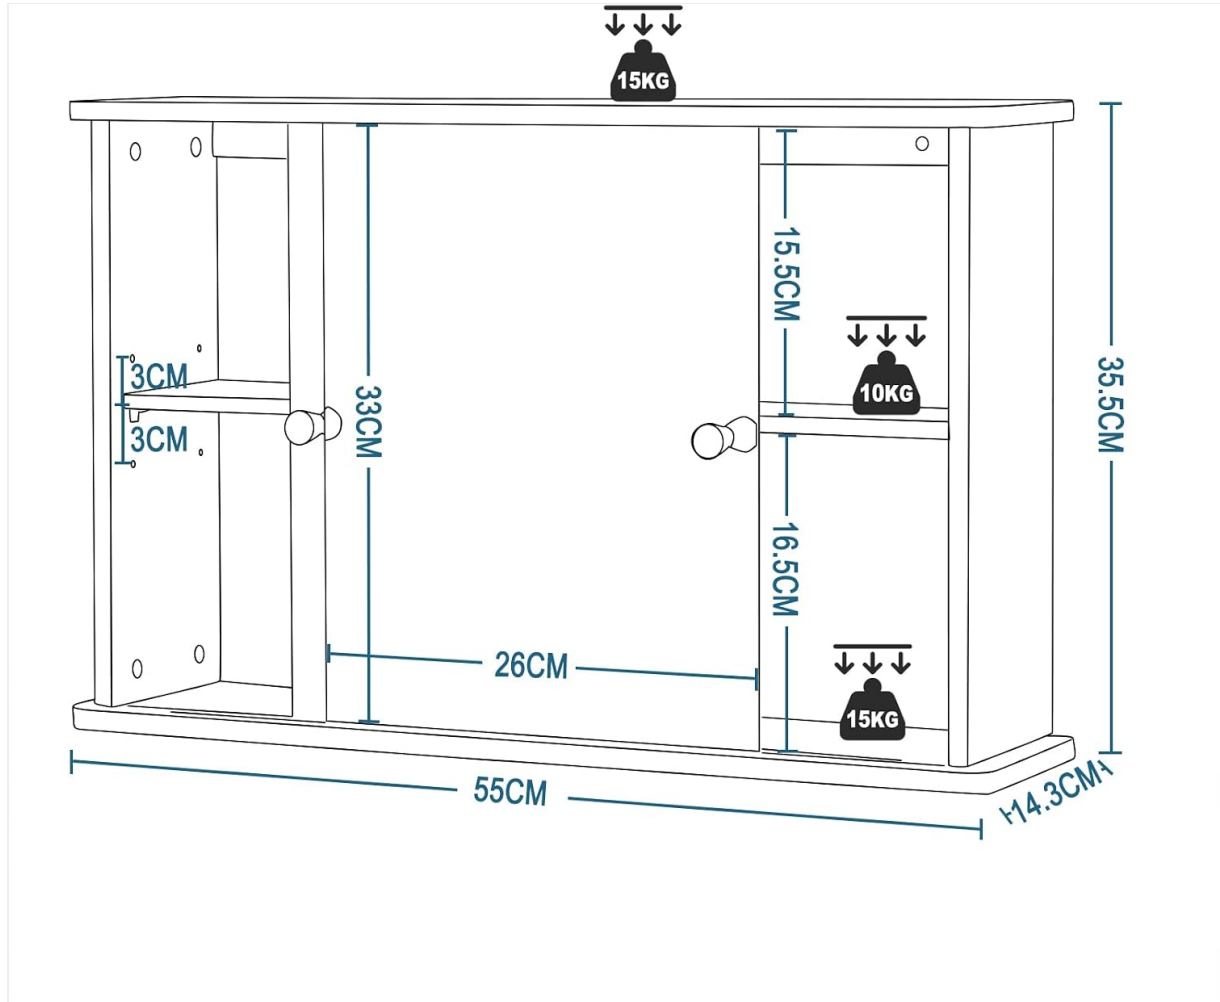

Image: Detailed diagram illustrating the cabinet's dimensions (Length 55cm, Depth 14.3cm, Height 35.5cm) and weight capacities for the top (15kg) and shelves (10kg).

Key Features

- **High-Quality Bamboo:** Constructed from durable, moisture-resistant bamboo for longevity.
- **Sliding Mirror Door:** Saves space and provides easy access to stored items while offering a functional mirror.
- **Adjustable Shelf:** The central shelf can be adjusted by 3 cm increments to customize storage space.
- **Smooth Sliding Rail:** Ensures effortless opening and closing of the mirror door.
- **Strong Door Handles:** Designed for comfortable and reliable use.

Image: Close-up details of the cabinet, highlighting the strong door handle, the ease of opening the mirror door, and the smooth sliding rail mechanism.

5. SETUP & ASSEMBLY

Assembly is straightforward with the provided labeled accessories and clear instructions. It is recommended to have two people for wall mounting.

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and compare them with the package contents list. Ensure all parts are present and undamaged.
2. **Assemble the Cabinet Frame:** Follow the diagrams to connect the side panels, top, and bottom panels using the provided screws. Ensure all connections are secure.
3. **Install Sliding Rails:** The sliding rails for the mirror door are integrated into the design. Ensure they are clear of debris.
4. **Insert Adjustable Shelf:** Place the adjustable shelf into the desired position. The shelf can be moved up or down in 3 cm increments.

DIY-HEIGHT ADJUSTABLE

3 adjustable shelves

Image: Illustration demonstrating the DIY-height adjustable shelves, showing the 3cm increments for customization.

5. **Attach Door Handles:** Securely attach the handles to the mirror door(s).
6. **Insert Mirror Door(s):** Carefully slide the mirror door(s) into the top and bottom rails. Ensure they slide smoothly.
7. **Wall Mounting:**
 - Choose a suitable location on a sturdy wall.
 - Mark the drilling points on the wall according to the cabinet's mounting holes.
 - Drill holes and insert appropriate wall anchors (not always included, may need to be purchased separately based on wall type).
 - Align the cabinet with the drilled holes and secure it firmly to the wall using the provided screws. Do not overtighten.

6. OPERATING INSTRUCTIONS

Using the Sliding Mirror Door

To open or close the mirror door, gently grasp the handle and slide the door along the top and bottom rails. The smooth sliding mechanism allows for easy movement. Avoid forcing the door if it encounters resistance.

Adjusting the Shelf Height

The internal shelf can be adjusted to accommodate items of different heights. To adjust, carefully remove the shelf, reposition the shelf supports to the desired height, and reinsert the shelf. Ensure the shelf is level and securely seated on the supports before placing items on it.

7. MAINTENANCE

Cleaning

- **Bamboo Surfaces:** Wipe with a soft, damp cloth. For stubborn dirt, use a mild soap solution and immediately dry with a clean cloth. Avoid abrasive cleaners or harsh chemicals that can damage the bamboo finish.
- **Mirror Surfaces:** Clean with a glass cleaner and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into edges.

Care and Longevity

- Regularly check all screws and connections to ensure they remain tight. Retighten if necessary.
- While bamboo is moisture-resistant, avoid prolonged exposure to excessive water or humidity to prevent warping or damage.
- Do not place hot items directly on the bamboo surface without protection.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror door does not slide smoothly.	Debris in the sliding rail; misaligned door; loose screws.	Clean the sliding rails. Check if the door is properly seated in the rails. Ensure all assembly screws are tightened.
Cabinet feels unstable after mounting.	Improper wall mounting; unsuitable wall anchors; loose mounting screws.	Verify that the cabinet is mounted to a sturdy wall stud or appropriate wall anchors are used. Tighten all mounting screws. If instability persists, consult a professional.
Shelf is wobbly.	Shelf not properly seated on supports; supports not fully inserted.	Ensure the shelf is correctly placed on all four supports and that the supports are fully inserted into the holes.

9. SPECIFICATIONS

Feature	Detail
Brand	EUGAD
Model Number	0152WY
Color	Bamboo
Material	Bamboo
Product Dimensions (L x W x H)	55 x 14 x 35.5 cm
Item Weight	4.2 Kilograms
Maximum Weight Capacity (Top)	15 Kilograms
Maximum Weight Capacity (Shelf)	10 Kilograms
Mounting Type	Wall Mount
Country of Origin	China
