## Safety Information

To ensure safe use of your cabinet, please observe the following:

- Always follow assembly instructions carefully.
- Do not exceed the recommended weight limits for shelves and the top surface.
- Ensure the cabinet is placed on a stable, level surface to prevent tipping.
- If an anti-tipping device is included, it is highly recommended to install it, especially in households with children or pets.

## Package Contents

Before assembly, please verify that all parts are present and undamaged. Refer to the included assembly diagram for a complete list of components and hardware.

- Bamboo panels (sides, top, bottom, shelves, door)
- Assembly hardware (screws, dowels, hinges, magnetic latch)
- Anti-tipping kit (if included)
- Instruction manual

## Assembly Instructions

The EUGAD bamboo cabinet is designed for easy assembly. Follow these general steps, referring to the detailed diagrams provided in your package for specific part identification and orientation.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels and diagrams.
2. **Assemble Frame:** Connect the side panels to the base and top panels using the designated hardware. Ensure all connections are secure.
3. **Install Shelves:** Insert the fixed shelves into their slots. For adjustable shelves, choose your desired height and secure them with the provided pins or supports.
4. **Attach Door:** Mount the door hinges to the cabinet frame and the door panel. Attach the door, ensuring it opens and closes smoothly. Install the magnetic latch for secure closure.
5. **Final Checks:** Tighten all screws and ensure the cabinet is stable. Install the anti-tipping device if applicable, securing the cabinet to a wall stud.

## Operating Instructions

Your EUGAD bamboo cabinet offers versatile storage solutions for various items.

- **Storage Modes:** The cabinet features open shelves on the left for easy access to daily items and a closed compartment with a louvered door on the right to protect items from dust and moisture.
- **Adjustable Shelves:** The shelves behind the door can be adjusted up or down by 3 cm increments, allowing you to customize the storage space to fit items of different heights.
- **Magnetic Door Latch:** The magnetic latch ensures the door remains securely closed, keeping your stored items tidy and protected.

## Care and Maintenance

To maintain the quality and appearance of your bamboo cabinet:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the bamboo finish.
- **Moisture Protection:** The cabinet is finished with an ecological varnish, making it resistant to moisture. However, avoid prolonged exposure to excessive water. Promptly wipe up any spills.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## Troubleshooting

If you encounter any issues with your cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws are fully tightened. Check that the cabinet is on a level surface; use furniture pads if necessary to stabilize.
- **Door Not Closing Properly:** Check the alignment of the hinges and the magnetic latch. Adjust as needed. Ensure no items inside are obstructing the door.
- **Missing Parts:** Review the package contents list and assembly diagrams. If parts are genuinely missing, contact EUGAD customer support.
