1. SAFETY INFORMATION

Please read all safety instructions carefully before assembling or using the SEDETA 44-inch File Cabinet. Retain this manual for future reference.

- To prevent injuries, always keep hands and feet away from moving parts, especially during assembly and when operating drawers.
- Do not overload the cabinet. The maximum load capacity is **350 lbs (158 kg)**. Exceeding this limit may cause instability or damage.
- Ensure the cabinet is stable and balanced before moving it. Lock the casters when the cabinet is in its desired position to prevent accidental movement.
- Use caution when opening and closing the drawers to avoid pinch points.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Only use the cabinet for its intended purpose of storing files and office supplies.

2. PRODUCT OVERVIEW

The SEDETA 44-inch File Cabinet is designed for home and office use, offering versatile storage and integrated power solutions. It features a robust construction with a rustic brown finish and metal frame.

Key Features:

- **Two File Drawers:** Accommodates Legal, Letter, and A4 size documents.
- **Integrated Lock:** Secures important documents in one drawer.
- **Power Strip:** Includes 2 AC outlets (125V/12A) and 2 USB charging ports (5V/2A) with a 6.6-foot

power cord.

- **Six Storage Shelves:** Adjustable shelves for various item sizes.
- **Four Hooks:** Convenient for hanging briefcases, mugs, headphones, or umbrellas.
- **Industrial Casters:** Four wheels for mobility, two of which are lockable for stability.
- **Spacious Desktop:** 44-inch surface suitable for printers, scanners, or other office equipment.

3. ASSEMBLY INSTRUCTIONS

The SEDETA 44-inch File Cabinet requires assembly. Clear and detailed instructions, along with numbered parts, are included in the product packaging to guide you through the process. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

General Assembly Tips:

- Identify all parts and hardware before beginning assembly.
- Follow the step-by-step instructions provided in the included manual.
- Do not overtighten screws to avoid damaging the wood.
- If you encounter any difficulties, refer to the assembly video or contact customer support.

4. OPERATION

4.1 File Drawers

The two spacious drawers are designed to accommodate various document sizes. The top drawer features a locking mechanism for securing sensitive documents.

- **File Compatibility:** The drawers support Legal, Letter, and A4 size hanging files. Adjust the file rails as needed to fit your document size.
- **Locking Mechanism:** Insert the key into the lock on the top drawer and turn to secure or unlock. Ensure the drawer is fully closed before locking.

LETTER/LEGAL/A4 File Cabinet

Video: Demonstration of the SEDETA 44-inch File Cabinet's compatibility with Legal, Letter, and A4 file sizes, showing how documents fit into the drawers.

4.2 Power Strip

The integrated power strip provides convenient access to power for your electronic devices.

- **AC Outlets:** Plug in devices requiring standard AC power, such as printers, scanners, or lamps.
- **USB Ports:** Use the USB ports to charge smartphones, tablets, or other USB-powered devices.
- **Power Cord:** Ensure the 6.6-foot power cord is securely plugged into a wall outlet.

4.3 Storage Shelves

The six side shelves offer flexible storage options for various items.

- **Adjustability:** The shelves can be adjusted or removed to create storage spaces of different sizes, accommodating taller items or bins.

4.4 Casters and Hooks

The cabinet is equipped with casters for easy mobility and hooks for hanging accessories.

- **Casters:** The four industrial casters allow for smooth movement. Two casters are lockable to secure the cabinet in place. Press down on the lever to lock, and lift to unlock.
- **Hooks:** Utilize the four hooks on the side for hanging items like bags, headphones, or umbrellas, keeping your workspace tidy.

5. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your SEDETA 44-inch File Cabinet.

- **Cleaning:** For general cleaning, wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage to the engineered wood surfaces.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Casters:** Keep casters free of debris to ensure smooth movement.

6. TROUBLESHOOTING

If you encounter any issues with your SEDETA 44-inch File Cabinet, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Check for any obstructions in the drawer slides. Ensure the cabinet is on a level surface.
- **Power strip not working:** Verify that the power cord is securely plugged into both the cabinet and a functional wall outlet. Check if the wall outlet is receiving power.
- **Cabinet unstable:** Ensure all assembly hardware is tightened. Lock the casters to prevent movement. Distribute weight evenly within the cabinet.
- **Missing or damaged parts:** If you find any parts missing or damaged upon arrival, please contact

customer support immediately for assistance.

For further assistance, please contact SEDETA customer support.
