2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- This desk has a maximum weight limit of 350 pounds (158.76 kg). Do not exceed this weight capacity.
- Assemble the desk on a stable, level surface to ensure proper alignment and stability.
- Ensure all parts are securely fastened during assembly. Periodically check and tighten all screws and bolts to maintain stability.
- Use caution when adjusting the foot pads to avoid injury.
- Adult supervision is required during assembly.
- This product is not a toy and should be kept out of reach of children.
- Keep small parts away from children to prevent choking hazards.

- Do not stand or sit on the desk or shelves.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer service.

4.3. General Assembly Steps

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the included parts list to identify each piece.
2. **Assemble the Main Desk Frame:** Attach the main desk legs to the support bars using the provided hardware. Do not fully tighten screws until all components are loosely assembled.
3. **Attach Desktop Panels:** Secure the main desktop panel to the assembled frame.
4. **Assemble the L-Shaped Extension:** Depending on your chosen configuration (left or right), assemble the frame for the L-shaped extension and attach it to the main desk frame.
5. **Install Storage Shelves:** Attach the mesh storage shelves to the designated frame section.
6. **Mount Monitor Stand:** Secure the monitor stand panels to the top of the desk frame.
7. **Final Tightening:** Once all parts are in place and aligned, systematically tighten all screws and bolts.
8. **Attach Adjustable Foot Pads:** Screw the adjustable foot pads into the bottom of each leg. Adjust them to level the

desk on uneven floors.

For detailed step-by-step diagrams, please refer to the separate assembly instruction sheet included in your package.

5. OPERATING INSTRUCTIONS

5.1. Utilizing the Monitor Stand

The elevated monitor stand is designed to raise your screen to an ergonomic viewing height, reducing strain on your neck and back. It also frees up valuable space on the main desktop for other items.

5.2. Using Storage Shelves

The two mesh storage shelves provide convenient space for files, books, printers, scanners, or other office supplies, keeping your workspace organized and clutter-free. Ensure items placed on the shelves do not exceed their weight capacity.

5.3. Adjusting Foot Pads

The adjustable foot pads allow you to fine-tune the desk's height and stability. Rotate the pads clockwise or counter-clockwise to raise or lower each corner until the desk is level and stable on your floor.

6. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns L-Shaped Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain structural integrity.
- **Avoid Excessive Moisture:** Do not expose the desk to excessive moisture or humidity, as this can damage the engineered wood.
- **Protect Surfaces:** Use coasters for drinks and placemats for hot items to prevent water rings or heat damage.

7. TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common solutions:

- **Desk is Wobbly:** Ensure all screws and bolts are securely tightened. Adjust the foot pads on each leg to level the desk on uneven flooring.
- **Parts Don't Align:** Loosen all screws slightly, adjust the parts into correct alignment, then re-tighten. Sometimes, parts need to be assembled loosely before final tightening.
- **Missing Hardware:** Double-check the packaging and all compartments. If still missing, contact customer service for replacement parts.
- **Surface Scratches:** Minor scratches on the rustic brown finish can sometimes be minimized with furniture markers or wood repair kits that match the color.
