LITFAD B0B5GH9VPK

LITFAD Nordic Style LED Table Lamp User Manual

Model: B0B5GH9VPK

1. INTRODUCTION

This manual provides instructions for the safe and efficient use of your LITFAD Nordic Style LED Table Lamp. Please read this manual thoroughly before installation and operation, and retain it for future reference.

2. SAFETY INSTRUCTIONS

To ensure safe operation and prevent damage, please observe the following safety precautions:

- Do not connect the lamp to power until it is fully assembled.
- When unpacking, handle the lamp carefully. Avoid pulling on wires, as this may cause damage or a poor connection.
- Always turn off and unplug the lamp from the power outlet before cleaning or performing any maintenance.
- Do not touch the integrated LED light source when the lamp is on or immediately after turning it off, as it may be warm.
- Keep flammable materials away from the lit lamp.
- This lamp is designed for indoor use only. Do not expose it to moisture or extreme temperatures.
- Do not attempt to modify or disassemble the lamp. Contact customer support for any issues.

3. PACKAGE CONTENTS

Verify that all components are present in the package:

- 1 x LITFAD Nordic Style LED Table Lamp Unit (with integrated LED bulb)
- 1 x User Manual

4. SETUP

The LITFAD Nordic Style LED Table Lamp requires minimal assembly. Follow these steps:

1. Carefully remove all components from the packaging.
2. Place the lamp on a stable, flat surface, such as a desk or nightstand.
3. Ensure the power cord is free from kinks or obstructions.
4. Plug the power adapter into a standard 110-120V AC electrical outlet.

5. OPERATING INSTRUCTIONS

The lamp features a simple push-button or touch control for operation.

1. **Turning On/Off:** Locate the control button/touch area on the lamp base or stem. Press or touch it once to turn the lamp on. Press or touch it again to turn the lamp off.
2. **Adjusting Brightness (if applicable):** For models with adjustable lighting, a prolonged press or multiple touches on the control area may cycle through brightness levels. This specific model (White - Warm Light) typically offers a single warm light setting.

Image 5.1: Lamp in operation, providing illumination.

6. MAINTENANCE

To maintain the appearance and functionality of your lamp:

- **Cleaning:** Ensure the lamp is unplugged and cool before cleaning. Wipe the lamp's surface with a soft, dry, or slightly damp cloth. Do not use abrasive cleaners, solvents, or polishes, as these can damage the finish.

- **Integrated LED:** The LED light source is integrated and not user-replaceable. It is designed for an extreme long lifespan.
- **Storage:** If storing the lamp, ensure it is clean, dry, and placed in a safe location to prevent damage.

7. TROUBLESHOOTING

If you encounter issues with your lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in. Power outlet is not active. Loose connection.	Ensure the power cord is securely plugged into an active outlet. Test the outlet with another device. Check for any visible damage to the cord or plug.
Light flickers or is dim.	Unstable power supply. Internal component issue.	Try plugging the lamp into a different outlet. If the issue persists, contact customer support.
Lamp is unresponsive to touch/button.	Power issue. Control mechanism fault.	Ensure the lamp is receiving power. Unplug the lamp for 30 seconds, then plug it back in to reset. If the issue persists, contact customer support.

8. SPECIFICATIONS
