

AGM X1818

AGM Wooden Wall Shelf (Model X1818) Instruction Manual

INTRODUCTION

Thank you for choosing the AGM Wooden Wall Shelf. This manual provides essential information for the safe and correct installation, operation, and maintenance of your new wall shelves. Please read these instructions carefully before beginning installation and retain them for future reference.

SAFETY INFORMATION

Warning: Do not exceed the maximum weight limit of 30 kg (66.1 lbs) per shelf. Ensure the shelf is properly installed and securely mounted to the wall to prevent accidents. Improper installation can lead to injury or damage to property.

Always use appropriate tools and follow all installation steps precisely. If you are unsure about the installation process, consult a qualified professional.

PACKAGE CONTENTS

Verify that all components are present before beginning installation. The package includes:

- 2 x Wooden Shelves
- 1 x Level
- 8 x Plastic Anchors
- 8 x Long Screws
- 8 x Short Screws
- 4 x Metal Brackets
- 1 x Instruction Manual (this document)

Max: 66lb/30kg

Figure 1: Included components and shelf dimensions (Length 16.73 inches, Depth 6.1 inches, Bracket Height 5.51 inches).

SETUP AND INSTALLATION

The AGM wall shelf offers two flexible installation methods, allowing you to install the metal brackets on the top or bottom of the wooden board. The included hardware is suitable for various wall types, including wood, stone, brick, concrete, and plasterboard walls.

Recommended Tools (Not Included):

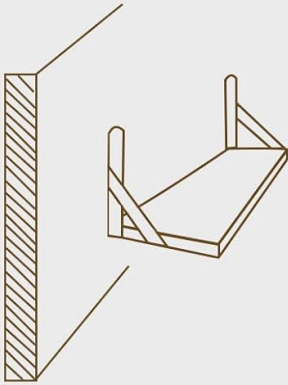

- Pencil
- Electric Drill
- Hammer
- Screwdriver

Installation Steps:

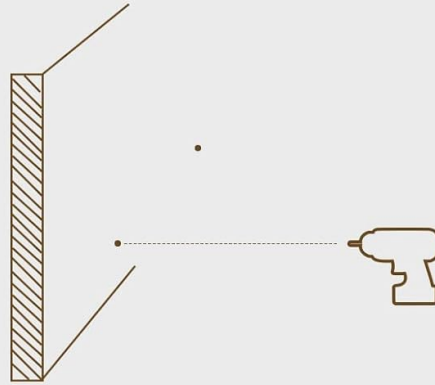

1. **Mark Position:** Keep the wall shelf horizontal using the provided level and mark its desired position on the wall with a pencil.
2. **Drill Holes:** Drill holes in the marked areas using an electric drill. Ensure the drill bit size matches the anchors.

3. **Insert Anchors:** For drywall or concrete walls, gently hammer the plastic anchors into the drilled holes until flush with the wall surface. For wood studs, anchors may not be necessary.
4. **Mount Shelf:** Position the wall shelf with its brackets over the anchors/holes. Use a screwdriver to secure the long screws through the brackets into the anchors or directly into wood studs.

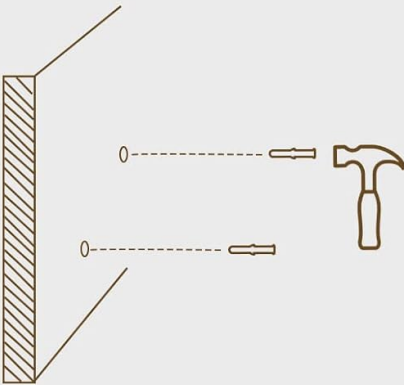

ASSEMBLY INSTRUCTIONS

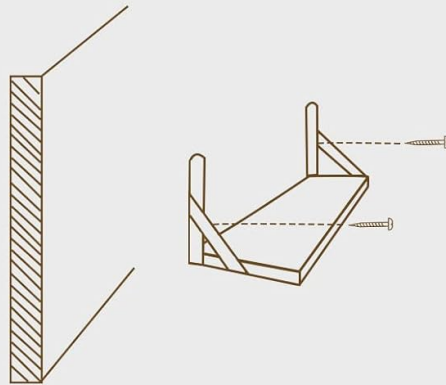

1. Keep the wall shelf horizontal and mark its position on the wall with a pencil.

2. Drill holes in the marked area with an electric drill.

3. Hammer the plastic anchors into the holes.

4. After placing the wall shelf in the certain place, use a screwdriver to screw the self-tapping screws into the anchors.

OPERATING AND USAGE

The AGM Wooden Wall Shelves are designed for both storage and decorative purposes. They can be used in various rooms to organize items and enhance your living space.

- **Living Room:** Display books, photo frames, small plants, or decorative items.
- **Bedroom:** Hold personal items, small lamps, or alarm clocks.
- **Bathroom:** Store toiletries, towels, or decorative accents.
- **Kitchen:** Organize spices, small dishes, or kitchen decor.
- **Office:** Keep office supplies, small books, or decorative elements tidy.

Always distribute weight evenly on the shelf and ensure the total weight does not exceed the maximum capacity of 30 kg (66.1 lbs) per shelf.

MAINTENANCE

To maintain the appearance and longevity of your AGM Wooden Wall Shelves:

- **Cleaning:** Wipe the shelves with a dry, soft cloth. Avoid using abrasive cleaners or harsh chemicals, which can damage the wood finish.
- **Inspection:** Periodically check the mounting screws and brackets to ensure they remain tight and secure. Retighten if necessary.
- **Environment:** Avoid prolonged exposure to direct sunlight or excessive moisture, which can cause warping or discoloration of the wood.

TROUBLESHOOTING

If you encounter issues with your wall shelves, consider the following:

- **Shelf feels loose:** Check all mounting screws and ensure they are securely fastened to the wall and brackets. If installed on drywall, ensure anchors are properly seated and not stripped.
- **Shelf is not level:** Remove items from the shelf and use the provided level to re-check its horizontal alignment. Adjust mounting points if necessary.
- **Damage to wall:** If the wall material is weak or damaged during installation, consider relocating the shelf to a more suitable area or reinforcing the wall.

SPECIFICATIONS

Feature	Detail
Model Number	X1818
Material	Solid Wood (Shelves), Stainless Steel (Brackets)
Color	Light Brown
Mounting Type	Wall Mount
