TzFioy Eiffel Tower

Eiffel Tower Paris Micro Brick Building Set Instruction Manual

Brand: TzFioy | Model: Eiffel Tower (3585 Pieces)

1. INTRODUCTION

This manual provides detailed instructions and important information for the assembly, care, and maintenance of your TzFioy Eiffel Tower Paris Micro Brick Building Set. This set allows you to construct a detailed replica of the iconic Eiffel Tower using micro-sized building bricks, offering a challenging yet rewarding building experience.

The completed model serves as an excellent display piece and is designed for builders aged 14 years and up, due to the intricate nature and small size of the components.

2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines before beginning assembly:

- **Choking Hazard:** This product contains small parts. Store small parts in a secure location to prevent access and potential ingestion by children under 3 years old.
- **Age Recommendation:** This building set is recommended for individuals aged 14 years and up. Younger children should be supervised by an adult during assembly.
- **Handling:** Handle small bricks with care to avoid accidental ingestion or misplacement.

3. PRODUCT OVERVIEW

This building set utilizes micro-sized bricks, which are significantly smaller than standard building bricks. This allows for a higher level of detail and precision in the finished model. The set includes 3585 pieces to construct the Eiffel Tower model.

Blocks Comparison

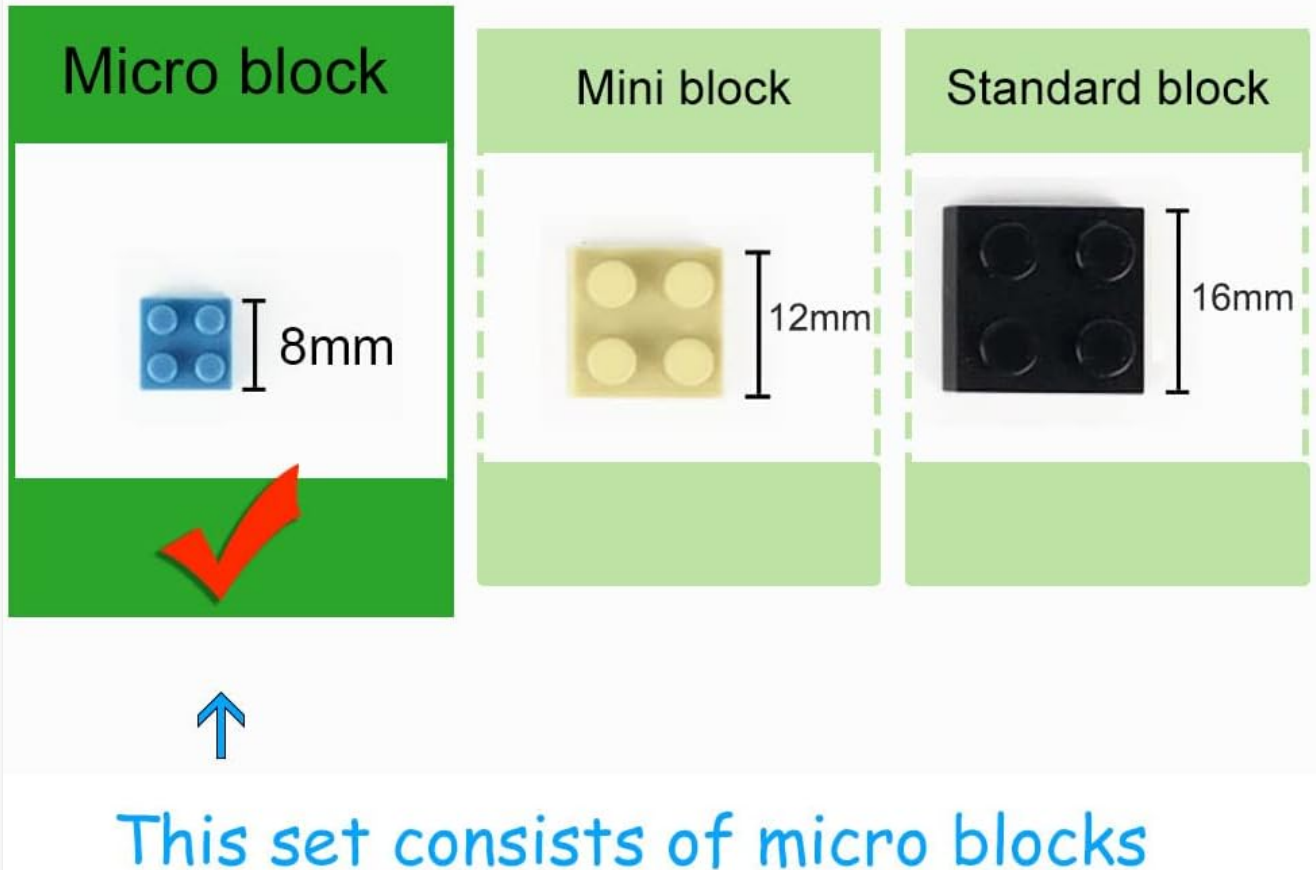

Figure 3.1: Comparison illustrating the size difference between micro, mini, and standard building blocks. This set uses micro blocks.

The completed model measures approximately 8 x 8 x 15.6 inches (20 x 20 x 39.5 cm).

4. SETUP AND ASSEMBLY

Before beginning assembly, ensure you have a clean, well-lit, and spacious work area. It is recommended to sort the micro-bricks by color and shape to facilitate the building process.

4.1. Unpacking and Preparation

- Carefully open the product packaging.
- Locate the included Instruction Guide. This guide contains step-by-step visual instructions for assembly.
- Empty the bags of micro-bricks onto your prepared work surface. Consider using small containers or trays to organize the pieces.

4.2. Assembly Process

Follow the detailed instructions provided in the Instruction Guide. Due to the micro-sized nature of the bricks, precision and patience are key. The building process is designed to be therapeutic and engaging, requiring focused attention.

5. MAINTENANCE

To ensure the longevity and appearance of your Eiffel Tower model, follow these simple maintenance tips:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft-bristled brush. For more stubborn dust, a can of compressed air can be used carefully. Avoid using water or chemical cleaners, as these may damage the plastic.
- **Storage/Display:** Display the model in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or warping of the plastic.
- **Handling:** When moving the model, support it from the base to prevent stress on the assembled sections.

6. TROUBLESHOOTING

6.1. Missing Components

While significant effort is made to ensure all sets are complete, instances of missing components can occur. If you

find any missing parts within your set:

- Immediately contact TzFioy customer support (refer to Section 7 for contact information).
- Provide details of the missing parts, including their shape, color, and the step in the instruction guide where they are needed.
- TzFioy is committed to providing prompt attention and will dispatch necessary replacement parts at no additional cost.

7. SPECIFICATIONS

Feature	Detail
Product Dimensions	8 x 8 x 15.6 inches (20 x 20 x 39.5 cm)
Item Weight	1.6 pounds (0.73 kg)
ASIN	B0B5P9C4B6
Manufacturer Recommended Age	14 years and up
Manufacturer	TzFioy
Number of Pieces	3585

8. WARRANTY AND SUPPORT

TzFioy is dedicated to customer satisfaction. If you encounter any issues with your product, particularly regarding missing components, please reach out to our support team.

8.1. After-Sales Service Support

We have dedicated significant effort to ensure the completeness of our products. Every project undergoes meticulous packing through automated machinery, coupled with rigorous verification of weight and internal packing quantities prior to shipping. Our success rate in providing complete items stands impressively high at 99.05%.

Should you encounter any instances of missing components within your project, we encourage you to reach out to us immediately. Your concern will receive our prompt attention, with a commitment to provide a response within 24 hours and promptly dispatch the necessary replacement parts at no additional cost. Your satisfaction is our utmost priority.

For support, please contact TzFioy directly through the seller contact options on the platform where the product was purchased. You can typically find this information on your order details page.
