1. Introduction

This instruction manual provides essential information for the safe and effective use of your onerbl AC Adapter Replacement for Model JY48-240-040-UD. Please read this manual thoroughly before using the product and retain it for future reference. This adapter is designed to provide reliable power to compatible electronic devices.

2. Safety Information

To ensure safe operation and prevent damage, please observe the following safety precautions:

- **Indoor Use Only:** This adapter is designed for indoor use. Do not expose it to rain, moisture, or extreme temperatures.
- **Correct Voltage:** Ensure the input voltage of the adapter (AC 100-240V) matches your power outlet specifications.
- **Proper Connection:** Always connect the adapter to the device before plugging it into the wall outlet. Disconnect from the wall outlet before disconnecting from the device.
- **Avoid Overloading:** Do not overload the power outlet or extension cords.
- **Inspect for Damage:** Before each use, inspect the adapter and cord for any signs of damage. Do not use if damaged.
- **Keep Away from Children:** Store the adapter out of reach of children.
- **Ventilation:** Ensure adequate ventilation around the adapter during use to prevent overheating.

- **Unplug When Not in Use:** Unplug the adapter from the wall outlet when not in use for extended periods.

3. Product Overview

The onerbl AC Adapter is a high-quality replacement power supply designed for various electronic devices. It features a robust design with built-in safety protections.

Figure 3.1: The onerbl AC adapter unit with its integrated power cord, featuring a standard US plug and a barrel connector output.

Figure 3.2: Dimensions of the AC adapter unit. The main body measures approximately 3.1 inches in length, 2.1 inches in width, and 1.2 inches in thickness.

Figure 3.3: Rear view of the AC adapter showing the product label with input specifications (AC 100-240V, 50/60Hz) and safety certifications. The integrated cable length is approximately 76 inches (6.33 feet).

Figure 3.4: Illustration of the adapter's multiple protection features, including short-circuit protection, over-voltage protection, and over-current protection, ensuring electrical safety.

Figure 3.5: Detail of the adapter's durable design, highlighting the use of copper wire for efficient conductivity and a PVC jacket for insulation and protection.

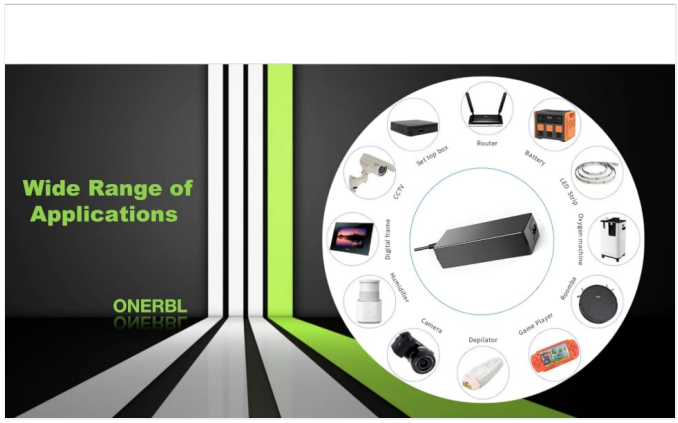

Figure 3.6: Visual representation of the wide range of devices compatible with this AC adapter, including set-top boxes, routers, batteries, LED strips, oxygen machines, Roomba, game players, depilators, cameras, humidifiers, digital frames, and CCTV systems.

4. Setup Instructions

Setting up your onerbl AC Adapter is a straightforward process:

1. **Verify Compatibility:** Ensure that your device requires an AC adapter with specifications compatible with the onerbl JY48-240-040-UD model. Check your device's power input requirements.
2. **Inspect Adapter:** Before connecting, visually inspect the adapter and its cable for any signs of damage. Do not use if any damage is observed.
3. **Connect to Device:** Carefully insert the barrel connector of the adapter into the power input port of your electronic device. Ensure a snug fit.
4. **Connect to Power Outlet:** Plug the AC adapter's two-prong plug into a standard AC 100-240V wall outlet.
5. **Power On Device:** Once connected, you may power on your device.

Figure 4.1: The onerbl AC adapter correctly plugged into a wall outlet, ready to power a device.

5. Operating Instructions

The onerbl AC Adapter operates automatically once connected to a power source and a compatible device. No user intervention is required for its basic function.

- Ensure the adapter is securely plugged into both the wall outlet and your device.
- The adapter will supply power to your device as long as it is connected and the power outlet is active.
- Monitor your device for proper charging or operation. If the device does not power on or charge, refer to the Troubleshooting section.

6. Maintenance

Proper maintenance helps extend the lifespan of your AC adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Cable Care:** Do not bend, twist, or pull the cable excessively. Avoid placing heavy objects on the cable.

7. Troubleshooting

If you encounter issues with your onerbl AC Adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not receiving power.	Adapter not fully plugged in. Power outlet is not active. Device is incompatible. Adapter or cable is damaged.	Ensure the adapter is securely plugged into both the wall and the device. Test the outlet with another device. Verify device's power requirements match adapter specifications. Inspect for damage; discontinue use if damaged.
Adapter feels hot during use.	Normal operation (slight warmth). Poor ventilation. Overload or internal fault.	A slight warmth is normal. Ensure the adapter is in a well-ventilated area. If excessively hot, unplug immediately and discontinue use. Contact support.
Loose connection at device port.	Incorrect barrel connector size. Worn device port.	Confirm the adapter's connector size is correct for your device. If the device port is worn, it may require repair.

8. Specifications

Feature	Detail
Model	JY48-240-040-UD
Brand	onerbl
Input Voltage	AC 100-240V, 50/60Hz
Connector Type	Barrel Connector
Cable Length	Approximately 76 inches (6.33 feet)
Item Weight	8 ounces
Special Feature	Travel (Wide AC Input)
Protections	Over Voltage Protection, Over Heat Protection, Short-circuit Protection, Over-current Protection
Manufacturer	Shenzhen Waweis Technology Co., Ltd

9. Warranty and Support

This product is covered by a standard manufacturer's warranty. For specific warranty details, please refer to the documentation provided with your purchase or contact the seller directly. If you experience any issues or require technical assistance, please contact onerbl customer support through your retailer or the official brand website.
For returns or replacements, please adhere to the return policy of your place of purchase, typically within 30 days.
