Samsung Galaxy Z Flip4 Official Silicone Cover with Ring Instruction Manual

Model: EF-PF721TPEGWW

Introduction

This manual provides essential information for the proper installation, use, and maintenance of your Samsung Galaxy Z Flip4 Official Silicone Cover with Ring. Please read these instructions carefully before use to ensure optimal performance and longevity of the product.

1. Installation

1.1 Unpacking

Carefully remove the silicone cover from its packaging. Inspect the cover for any signs of damage before proceeding with installation.

1.2 Attaching the Cover

1. Ensure your Samsung Galaxy Z Flip4 is clean and free of dust or debris.
2. Align the top half of the cover with the top section of your phone. Gently press it into place, ensuring the camera cutout and button alignments are correct.
3. Align the bottom half of the cover with the bottom section of your phone. Gently press it into place until it securely snaps around the phone.
4. Verify that all edges of the phone are fully covered and that the case fits snugly without any gaps.

2. Usage

2.1 Using the Ring Holder

- The integrated ring on the back of the cover provides a secure grip for your device, reducing the risk of accidental drops.
- To use, simply slide your finger through the ring for a comfortable and firm hold.
- The ring can also function as a kickstand for hands-free viewing by adjusting its angle.
- The ring is designed to be removable. To detach, gently pull the ring upwards from its base. Ensure it is re-attached firmly if removed.

3. Care and Maintenance

3.1 Cleaning the Cover

To clean the silicone cover, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals, abrasive materials, or excessive moisture, as these may damage the silicone material or its finish. Ensure the cover is completely dry before reattaching it to your phone.

3.2 Storage

When not in use, store the cover in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.

4. Troubleshooting

4.1 Case Does Not Fit Properly

- Ensure you have the correct model cover for your Samsung Galaxy Z Flip4. This cover is specifically designed for the Z Flip4.
- Remove any debris or foreign objects from your phone or inside the case that might prevent a proper fit.
- Re-align and re-install the cover, ensuring both halves are correctly seated and snapped into place.

4.2 Ring Feels Loose

- If the ring feels loose, ensure it is properly attached to its base. If it is designed to be removable, re-attach it firmly until it clicks into place.
- If the issue persists after re-attachment, contact Samsung customer support for assistance.
