4. CARE AND MAINTENANCE

To ensure the longevity and quality of your GRANDEUR fragrance oil:

- **Storage:** Store the amber glass bottle in a cool, dark place away from direct sunlight and extreme temperatures. This helps maintain the oil's stability and extends its shelf life to over 24 months.
- **Bottle Cap:** Always keep the cap tightly sealed when not in use to prevent evaporation and preserve the fragrance.
- **Dropper Care:** After each use, ensure the glass dropper is clean and free of residue before returning it to the bottle.

5. TROUBLESHOOTING

If you encounter any issues with your fragrance oil, consider the following:

- **Scent Not Strong Enough:** If using with a diffuser, ensure the water level is appropriate and try adding 1-2 more drops of oil. For direct application, apply to a larger surface area or use more drops.
- **Scent Too Strong:** If using with a diffuser, reduce the number of drops. For direct application, ventilate the area or use fewer drops next time.
- **Skin Irritation:** Refer to the Important Safety Information section. Discontinue use on skin immediately and consult a healthcare professional if irritation persists.
