SAFETY INFORMATION

Please read all safety instructions before using the lamp. Keep this manual for future reference.

- Ensure the lamp is placed on a stable, flat surface to prevent tipping.
- Do not expose the lamp to water or excessive humidity.
- Unplug the lamp from the power outlet before cleaning or replacing the bulb.
- Use only the specified bulb type (E27 LED) to avoid damage or fire hazards.

- Keep out of reach of children and pets.
- Do not attempt to disassemble or repair the lamp yourself. Contact customer support if issues arise.

PACKAGE CONTENTS

Verify that all items are included in your package:

- 1 x Bedside Lamp with power cord
- 1 x Fabric Lampshade
- 1 x E27 Dimmable LED Bulb
- 1 x User Manual

SETUP INSTRUCTIONS

Follow these steps to assemble your Kakanuo Bedside Lamp:

1. **Unscrew the fixing ring:** Carefully unscrew the fixing ring from the lampholder.
2. **Install the lampshade:** Place the fabric lampshade onto the lampholder.
3. **Tighten the fixing ring:** Screw the fixing ring back onto the lampholder to secure the lampshade.
4. **Install the E27 bulb:** Gently screw the included E27 LED bulb into the lampholder until it is secure.
5. **Connect to power:** Plug the lamp's power cord into a standard 220V electrical outlet.

OPERATING INSTRUCTIONS

3-Way Dimmable Touch Control

The lamp features a convenient touch control system. Simply touch any metallic part of the lamp base or stem to adjust the brightness:

- **First Touch (30% Brightness):** Provides a soft, warm glow, ideal for sleeping, nursing, or creating a relaxed ambiance.
- **Second Touch (65% Brightness):** Offers comfortable illumination, perfect for leisure activities like watching TV or using your phone.
- **Third Touch (100% Brightness):** Delivers bright light, suitable for reading, working, or tasks requiring full illumination.
- **Fourth Touch:** Turns the lamp off.

USB-A and USB-C Charging Ports

This lamp is equipped with both a USB-A and a USB-C charging port (5V/2.1A) located on the base. These ports allow you to conveniently charge your electronic devices, such as phones, laptops, humidifiers, or headphones, whether the lamp is turned on or off.

Convenient to power 2 devices at the same time no matter the light is on or off.

USB-A Port

USB-C Port

MAINTENANCE

Cleaning

To clean your lamp, first ensure it is unplugged from the power outlet. Use a soft, dry cloth to wipe down the metal base and lampshade. Avoid using abrasive cleaners or solvents, as these may damage the finish.

Bulb Replacement

The lamp comes with an E27 LED bulb. If a replacement is needed, ensure the lamp is unplugged and the bulb has cooled down. Unscrew the old bulb and screw in a new E27 LED bulb. The recommended replacement bulb ASIN is B0C5HZLN3F.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in; loose bulb; power outage; faulty bulb.	Check power connection; tighten bulb; check power supply; replace bulb.
Touch control is unresponsive.	Lamp not properly grounded; electrical interference.	Ensure lamp is on a stable surface; try a different outlet; avoid placing near other electronic devices.
USB ports are not charging devices.	Lamp not plugged in; device cable is faulty; device requires more power than supplied.	Ensure lamp is plugged in; try a different USB cable; check device power requirements.
Light flickers.	Loose bulb; incompatible bulb; unstable power supply.	Tighten bulb; ensure E27 LED bulb is used; try a different outlet.

SPECIFICATIONS

Brand	Kakanuo
