SIUMAL B0B5Z9FSY9

SIUMAL Rose Gold Tree of Life Bangle Bracelet User Manual

Model: B0B5Z9FSY9

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the SIUMAL Rose Gold Tree of Life Bangle Bracelet. This elegant piece of jewelry is crafted from durable stainless steel with a beautiful rose gold tone, featuring a delicate Tree of Life charm adorned with sparkling accents. This manual provides essential information on how to properly wear, care for, and maintain your bracelet to ensure its lasting beauty.

2. SETUP AND WEARING INSTRUCTIONS

To ensure a comfortable and secure fit, follow these guidelines for wearing your SIUMAL bracelet.

## 2.1 Measuring Your Wrist

Before wearing, it is recommended to measure your wrist to ensure the bracelet fits appropriately. The bracelet has an adjustable length to accommodate various wrist sizes.

Image 2: A diagram illustrating the correct method for measuring your wrist circumference. Ensure your palm faces up and measure around the wrist bone.

The bracelet length is approximately **17.8 cm (7 inches)** with an additional **2.5 cm (1 inch)** adjustable extension, allowing for a total length of up to **20.3 cm (8 inches)**. This design is suitable for wrist lengths between **13 cm and 17 cm** for a comfortable fit.

## 2.2 Fastening the Bracelet

The bracelet features a secure snap button clasp. To fasten, align the two ends of the bangle and gently press the clasp until you hear a click, indicating it is securely closed. To unfasten, locate the small button or lever on the clasp and press it to release the mechanism.

## 3. OPERATING AND DAILY USE

---

Your SIUMAL bracelet is designed for daily wear. To maintain its appearance and integrity, consider the following:

- **Avoid Harsh Chemicals:** Exposure to perfumes, lotions, hairsprays, and cleaning products can dull the finish or damage the material. Apply these products before putting on your bracelet.
- **Remove During Activities:** Take off your bracelet before engaging in strenuous activities, swimming, or showering to prevent scratches, impacts, or exposure to moisture and chemicals.
- **Gentle Handling:** While stainless steel is durable, avoid unnecessary bending or forceful impacts that could deform the bangle or damage the charm.

Image 3: The SIUMAL bracelet elegantly worn on a wrist, demonstrating its fit and style.

## 4. MAINTENANCE AND CARE

Proper maintenance will help preserve the shine and condition of your SIUMAL bracelet.

### 4.1 Cleaning

To clean your stainless steel bracelet:

1. Wipe the bracelet gently with a soft, lint-free cloth (e.g., a microfiber cloth).
2. For deeper cleaning, use a mild soap and warm water solution. Dip the cloth into the solution, wring it out, and gently wipe the bracelet.
3. Rinse the bracelet thoroughly with clean water to remove any soap residue.
4. Dry immediately with a clean, soft cloth to prevent water spots.
5. Avoid abrasive cleaners, harsh chemicals, or ultrasonic cleaners, as these can damage the rose gold plating or the charm's accents.

### 4.2 Storage

When not wearing your bracelet, store it properly:

- Store in a clean, dry place, away from direct sunlight and extreme temperatures.
- Keep it in a jewelry box or a soft pouch to prevent scratches and tangling with other jewelry.

## 5. TROUBLESHOOTING

If you encounter any issues with your SIUMAL bracelet, consider the following common solutions:

- **Dull Finish:** If the bracelet appears dull, it may be due to residue from lotions or perfumes. Clean it thoroughly using the method described in Section 4.1.
- **Clasp Issues:** Ensure the clasp is properly aligned and pressed firmly until it clicks. If it feels loose, inspect for any debris obstructing the mechanism. Avoid forcing the clasp.
- **Skin Irritation:** While stainless steel is generally hypoallergenic, if you experience irritation, discontinue use and consult a healthcare professional. Ensure the bracelet is kept clean.

For persistent issues or concerns not addressed here, please contact SIUMAL customer support.

## 6. SPECIFICATIONS

| Feature      | Detail           |
