AUKTECH AK01 Pro

AUKTECH AK01 Pro Bluetooth Speaker User Manual

Model: AK01 Pro | Brand: AUKTECH

INTRODUCTION

Thank you for choosing the AUKTECH AK01 Pro Bluetooth Speaker. This powerful and versatile portable speaker is designed to deliver rich 360-degree sound with deep bass, dynamic LED lighting, and robust IPX7 waterproofing. With its long-lasting battery and convenient features like hands-free calling and voice assistant integration, the AK01 Pro is perfect for both indoor and outdoor adventures. This manual provides detailed instructions to help you get the most out of your speaker.

360° Audio

All-round pounding sound delivered by dual high-performance drivers of total 24 watts

Figure 1: The AUKTECH AK01 Pro speaker featuring 360-degree audio, with an exploded view illustrating its internal high-performance drivers that deliver powerful sound.

Ports:

- **USB-C Charging Port:** For charging the speaker.
- **3.5mm AUX-in Port:** For wired audio connection.

GETTING STARTED

1. Charging the Speaker

Before first use, fully charge the speaker. Use the included USB-C cable to connect the speaker to a USB power adapter (not included) or a computer's USB port. The LED indicator will show charging status and turn off when fully

charged.

- A full charge provides up to 24 hours of playtime at moderate volume.
- Charging time is approximately 4 hours.

Figure 3: The AUKTECH AK01 Pro speaker is designed for extended use, offering up to 24 hours of continuous music playback on a single charge, ideal for all-day enjoyment.

2. Powering On/Off

- **To Power On:** Press and hold the Power Button () for 2-3 seconds until you hear an audible prompt and the

LED light ring illuminates.

- **To Power Off:** Press and hold the Power Button () for 2-3 seconds until you hear an audible prompt and the LED light ring turns off.

CONNECTIVITY

1. Bluetooth Pairing

The AK01 Pro uses Bluetooth 5.0 for a fast and stable connection up to 30 meters (100 feet).

1. Ensure the speaker is powered on. The LED light ring will flash, indicating it's in pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
3. Select "AK01 Pro" from the list of devices.
4. Once connected, you will hear a confirmation sound, and the LED light ring will glow steadily.
5. The speaker will automatically reconnect to the last paired device when powered on, if within range.

Bluetooth 5.0 Technology

Has a range of 100 feet and an extended compatibility for most Bluetooth devices.

Figure 4: The AUKTECH AK01 Pro speaker utilizes Bluetooth 5.0 technology, ensuring a stable and wide-ranging connection with various Bluetooth-enabled devices like smartphones, tablets, and computers.

2. AUX Connection

For devices without Bluetooth, use the 3.5mm audio cable.

1. Connect one end of the 3.5mm audio cable to the AUX-in port on the speaker.
2. Connect the other end to the audio output jack of your device (e.g., MP3 player, TV, desktop computer).
3. The speaker will automatically switch to AUX mode.

3. True Wireless Stereo (TWS) Pairing

Pair two AK01 Pro speakers together for an immersive stereo sound experience.

1. Ensure both AK01 Pro speakers are powered on and not connected to any Bluetooth device.
2. On one speaker (this will be the primary speaker), long press the Bluetooth/TWS Button (⏻) until you hear a TWS pairing prompt.
3. The two speakers will automatically search for and connect to each other. Once connected, you will hear a confirmation sound.
4. Now, connect your device to the primary speaker via Bluetooth as described in the
