

Hot Wheels HMC03

Hot Wheels Track Builder Lightning Boost Pack (Model HMC03) Instruction Manual

Model: HMC03

INTRODUCTION

This instruction manual provides comprehensive guidance for the assembly, operation, and maintenance of your Hot Wheels Track Builder Lightning Boost Pack. This set is designed to enhance your Hot Wheels track creations with speed-boosting elements and offers convenient storage solutions.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

Adult supervision is recommended during assembly and play to ensure safe operation and prevent misuse of small components.

WHAT'S IN THE BOX

Your Hot Wheels Track Builder Lightning Boost Pack includes the following components:

- 1 Hot Wheels Lightning Boost Pack (modular storage container and track elements)
- 1 Hot Wheels car (1:64 scale)

SETUP INSTRUCTIONS

Follow these steps to assemble your Hot Wheels Track Builder Lightning Boost Pack:

1. **Unpack Components:** Carefully remove all track pieces, boosters, and the Hot Wheels car from the modular storage container. The container itself is part of the playset.
2. **Identify Track Pieces:** The set includes straight track segments, curved track segments, lightning-themed kickers (boosters), and flippers.
3. **Connect Track Segments:** Use the connectors on each track piece to snap them together. Ensure a secure fit for smooth car movement.
4. **Integrate Boosters and Flippers:** Place the lightning-themed kickers and flippers at strategic points along your track layout to add speed and dynamic action. These elements are designed to propel cars forward.
5. **Utilize the Storage Container:** The modular storage container can be integrated into your track design as a base or a ramp, or used to store all components when not in use.

OPERATING INSTRUCTIONS

Once your track is assembled, you can begin racing your Hot Wheels cars:

1. **Place Car on Track:** Position a Hot Wheels car (1:64 scale) at the starting point of your track.

2. **Launch Car:** Gently push the car to initiate its movement along the track.
3. **Engage Boosters:** As the car approaches a lightning-themed kicker or flipper, ensure the mechanism is ready to propel the car forward, maintaining its speed. Some boosters may require manual reset after each car passes.
4. **Experiment with Layouts:** The modular nature of the Track Builder system allows for countless track configurations. Experiment with different arrangements to discover new racing challenges and speeds.

MAINTENANCE

To ensure the longevity and optimal performance of your Hot Wheels Track Builder Lightning Boost Pack, consider the following maintenance tips:

- **Cleaning:** Wipe track pieces and components with a dry or slightly damp cloth to remove dust and debris. Avoid harsh chemicals.
- **Storage:** When not in use, store all components in the provided modular container to prevent loss and damage. Keep the set in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically inspect track connectors and booster mechanisms for any signs of wear or damage. Replace any broken parts to maintain safe operation.

TROUBLESHOOTING

If you encounter issues with your Hot Wheels Track Builder Lightning Boost Pack, refer to the following common solutions:

- **Cars not moving smoothly:**
 - Check all track connections to ensure they are securely fastened.

- Ensure the track surface is clean and free of obstructions.
- Verify that the Hot Wheels car wheels are clean and functioning correctly.
- **Boosters not propelling cars:**
 - Confirm that the booster mechanism is properly engaged and reset.
 - Ensure the car is correctly aligned when entering the booster section.
- **Difficulty connecting track pieces:**
 - Apply gentle, even pressure when connecting pieces. Avoid forcing them.
 - Ensure the connectors are clean and free of debris.

SPECIFICATIONS

Feature	Detail
Product Dimensions	5 x 10 x 8 inches
Item Weight	7.1 ounces
Model Number	HMC03
Manufacturer Recommended Age	4 years and up
Release Date	November 26, 2022
Manufacturer	Mattel
