Ports and Design

Figure 3: Internal view highlighting 15W audio driver and port locations.

The speaker features a durable fabric mesh exterior and rubberized top and bottom for enhanced grip and protection. A rubber gasket covers the charging and auxiliary ports to maintain its waterproof rating. It also includes a built-in lanyard for easy portability.

SETUP

Charging the Speaker

Before first use, fully charge your Tronsmart T7 Mini speaker. Connect the provided Type-C charging cable to the speaker's charging port and a compatible USB power source. The LED indicator will show charging status. A full charge takes approximately 3 hours.

Bluetooth Pairing

1. Power on the speaker by pressing and holding the Power button for 2 seconds. The LED light will illuminate.
2. On your device (smartphone, tablet), enable Bluetooth and search for
