MAINTENANCE

To ensure the longevity of your building toy set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe figures and pieces with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not immerse in water.
- **Storage:** Store all pieces in a cool, dry place away from direct sunlight to prevent discoloration or damage. Keep small parts together to avoid loss.
- **Handling:** Avoid excessive force when assembling or posing figures to prevent breakage.

TROUBLESHOOTING

If you encounter any issues with your MEGA Pokemon Trainer 8 Pack, consider the following:

- **Missing Pieces:** Carefully check all packaging materials. If pieces are genuinely missing, contact customer support.
- **Difficulty Assembling:** Ensure you are following the correct assembly steps for each figure. Some pieces may require a firm but gentle push to connect.
- **Figures Not Posing Correctly:** Verify that all joints are correctly assembled and not obstructed. Articulated parts should move freely within their intended range.
