PRODUCT FEATURES

- **Large Capacity:** Measures 23.6" L x 11.2" W x 62.6" H, capable of holding up to 36 pairs of shoes.
- **Durable Construction:** Made from high-quality particleboard and metal mesh shelves for long-lasting performance.
- **Stylish Design:** Features a rustic brown particleboard top and a black metal frame, complementing various interior styles.
- **Removable Shelves:** Allows for customization to accommodate taller items like boots by removing one or more shelves.
- **Easy Assembly:** Designed for straightforward setup with detailed instructions and clearly numbered parts.
- **Safety Features:** Includes an anti-tip accessory for enhanced stability and safety.

Intensive Mesh

High heels can also be easily stored.

SAFETY INFORMATION

This product has a weight limit of 22 lb for the top shelf and 11 lb for each mesh shelf. An anti-tip accessory is included for added security. Properly following installation and loading instructions is essential to ensure safety and avoid potential hazards. Always secure the unit to a wall using the provided anti-tip kit, especially in households with children or pets.

SETUP AND ASSEMBLY

Assembly of the HOOBRO 10-Tier Shoe Rack is designed to be simple and quick. Please follow the included detailed instructions and ensure all parts are accounted for before beginning. An accessory kit with necessary tools is provided.

Package Contents Overview

Key Assembly Steps

1. Unpack all components and verify against the parts list in the instruction manual.
2. Assemble the side frames using the provided screws and Allen key.
3. Insert the mesh shelves into the designated slots on the side frames. Ensure they are securely in place.
4. Attach the top particleboard panel to the assembled frame.
5. Install the adjustable feet at the bottom of the unit to ensure stability on uneven surfaces.
6. Secure the anti-tip accessory to the top of the unit and to a wall, following the specific instructions provided.

MAINTENANCE

To maintain the appearance and longevity of your shoe rack, wipe it with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners, which may damage the finish. Ensure the unit remains dry to prevent any potential damage to the particleboard components.

TROUBLESHOOTING

- **Unit is wobbly:** Ensure all screws are tightened. Verify that the adjustable feet are properly leveled on the floor. Confirm the anti-tip kit is securely installed.
- **Missing parts:** Refer to the parts list in your instruction manual. Contact HOOBRO customer support for assistance with missing components.
- **Difficulty assembling:** Double-check the assembly steps against the provided manual. Ensure parts are oriented correctly.
