

Matchbox HMM29

Matchbox Action Drivers Ferry Port Playset Instruction Manual

Model: HMM29

1. SAFETY INFORMATION

Please read all safety warnings before assembly and use of the Matchbox Action Drivers Ferry Port Playset.

- **WARNING:** Not suitable for children under 36 months due to small parts which may present a choking hazard.
- Adult assembly is required for this product. Ensure all parts are securely connected before allowing children to play.
- Keep packaging materials away from children to prevent suffocation.

2. PRODUCT OVERVIEW

The Matchbox Action Drivers Ferry Port Playset provides an interactive play experience with a retractable ferry, port features, and a Matchbox Land Rover vehicle. This set is designed to inspire creative adventures and can be connected with other Matchbox and Hot Wheels sets.

3. SETUP AND ASSEMBLY

3.1 Unpacking

Carefully remove all components from the packaging. Verify that all parts are present according to the included assembly instructions. Discard packaging responsibly.

Figure 3.1: The product packaging, showing the playset and included Land Rover vehicle.

3.2 Assembly Instructions

Assembly is required. Refer to the detailed installation instructions provided within the product packaging for step-by-step guidance. The estimated assembly time is approximately 15 minutes. Ensure all connections are firm and stable.

4. OPERATING INSTRUCTIONS

The Matchbox Action Drivers Ferry Port Playset offers various interactive features for engaging play.

4.1 Using the Ferry

The playset includes a ferry on wheels designed to transport up to four Matchbox vehicles (additional vehicles sold separately). Position the ferry at the port, load vehicles onto its deck, and then manually roll the ferry out of the port for transport.

Figure 4.1: The ferry loaded with multiple Matchbox vehicles, ready for departure.

4.2 Activating Port Features

The port features child-activated elements that enhance the play experience:

- **Retractable Ferry Ramp:** The ferry ramp can be manually lowered to allow vehicles to drive on and off the ferry.
- **Entrance Gate:** A movable drawbridge or barrier allows control of vehicle access to the port area.
- **Arrival Terminal:** Guide vehicles through the arrival terminal area.

Figure 4.2: Close-up view of the ferry ramp, demonstrating its functionality for vehicle loading and unloading.

Figure 4.3: A Matchbox car approaching the port entrance, ready to interact with the playset's features.

5. MAINTENANCE

The Matchbox Action Drivers Ferry Port Playset requires minimal maintenance. To ensure longevity and hygiene:

- Wipe the playset surfaces with a damp cloth as needed. Avoid harsh chemicals or abrasive cleaners.
- Ensure the playset is stored in a clean, dry environment away from direct sunlight or extreme temperatures.
- Regularly check for any loose or damaged parts. Discontinue use if any significant damage is found.

6. TROUBLESHOOTING

If you encounter any issues with your Matchbox Action Drivers Ferry Port Playset, consider the following:

- **Parts not connecting:** Ensure you are following the assembly instructions precisely. Some parts may require a firm push to click into place.
- **Ferry not moving smoothly:** Check for any obstructions on the track or wheels. Ensure the playset is on a flat, even surface.

- **Missing parts:** Double-check the packaging and assembly area. If parts are genuinely missing, contact customer support.

7. SPECIFICATIONS
