Safety Information

Please observe the following safety precautions:

- Always secure the cabinet to the wall using the anti-tipping design to prevent tipping hazards.
- Do not overload the shelves beyond their specified weight capacity.
- Keep the cabinet away from heat sources.
- Never place heavy or sharp objects on the top of the cabinet without proper protection.

Assembly Instructions

Assembly is required for this cabinet. It is recommended to have two people for assembly. Follow the step-by-step pictorial instructions included in your package. Ensure all connections are secure before use.

1. Unpack all components and verify against the parts list.
2. Assemble the main frame structure according to the diagrams.
3. Attach the side panels and back panel.
4. Install the adjustable shelves at your desired height.
5. Mount the doors and attach the handles.
6. Secure the anti-tipping device to the wall as instructed in the safety section.

Operating Instructions

Using the Doors

The cabinet features two main doors, each appearing as two visual panels, that open to reveal internal storage compartments. Gently pull the handles to open and push to close. Ensure doors are fully closed to keep contents secure and dust-free.

Adjusting the Shelves

The internal shelves are adjustable, allowing you to customize storage space for items of various sizes. To adjust a shelf, carefully remove any items, lift the shelf, and reposition the shelf supports into the desired holes. Ensure the shelf is level and securely seated before placing items back.

Maintenance and Care

To maintain the appearance and longevity of your cabinet:

- Wipe with a damp cloth for routine cleaning.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Periodically check all screws and connections to ensure they remain tight.

Troubleshooting

If you encounter any issues with your cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws are tightened. Verify the cabinet is placed on a level surface. Re-check the anti-tipping device installation.
- **Doors Not Closing Properly:** Check hinges for proper alignment and tightness. Ensure no items inside are obstructing the door closure.
- **Damaged Parts:** If any parts were damaged during shipping or assembly, contact customer support for replacements.

Specifications

Brand	HOMCOM
Model Number	839-412BN
Color	Rustic Brown
Material	Alloy Steel, Engineered Wood (MDF)
Overall Dimensions (L x W x H)	47.25" x 13" x 30.25"
Weight Capacity (Whole)	110 lbs.
