Vtopmart 2 Pack Stackable Storage Drawers Instruction Manual

Brand: Vtopmart | Model: SVM10001

INTRODUCTION

Thank you for choosing the Vtopmart 2 Pack Stackable Storage Drawers. This manual provides essential information for the proper setup, use, and maintenance of your new storage solution. Please read these instructions carefully before use and retain them for future reference.

PRODUCT FEATURES

- **Stackable Design:** Each organizer measures 7.5"D x 6"W x 6.6"H. The storage bins are designed to be stackable, allowing for vertical storage to maximize space. They can accommodate items up to 6 inches in height, ideal for skincare products, lotions, and cosmetics.
- **Built-in Handle and Non-Slip:** The storage containers feature pull-out handles for convenient access to items. Included silicone pads can be attached to the bottom of the outer box to prevent slipping when drawers are opened or closed.
- **Multi-Purpose Organizers:** These drawers are versatile and suitable for organizing various areas, including bathroom countertops, under-sink spaces, kitchen cabinets, laundry rooms, medicine cabinets, pantry shelves, vanities, offices, garages, and craft rooms.
- **Clear View Design:** Made from clear acrylic, these organizers allow for quick identification of contents without the need for searching or labeling. They contribute to a neat and organized living space.
- **Quality Construction and Easy to Clean:** Constructed from durable, BPA-free, shatter-resistant plastic. The sturdy, transparent, and modern design complements various decor styles.

PACKAGE CONTENTS

Your Vtopmart 2 Pack Stackable Storage Drawers package includes:

- 2 x Clear Stackable Storage Drawers
- Extra silicone pads (for non-slip application)

SETUP INSTRUCTIONS

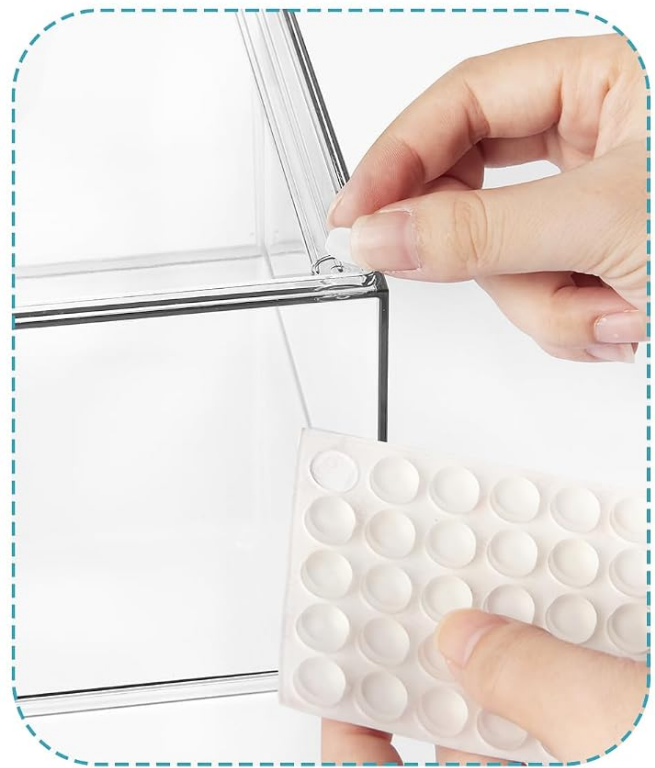

1. **Unpack:** Carefully remove all components from the packaging.
2. **Apply Non-Slip Pads:** Locate the included silicone pads. Peel the pads from their backing and firmly stick them onto the bottom corners of the outer box of each storage drawer. This will help prevent the drawers from sliding on smooth surfaces.
3. **Stack (Optional):** If desired, place one storage drawer directly on top of another. The design allows for stable stacking.

Non-Slip Design

Includes silicone rubber feet, just stick them on the bottom of the plastic bins for non-slip

OPERATING INSTRUCTIONS

1. **Filling the Drawers:** Place your desired items into the clear drawers. The transparent design allows for easy visibility of contents.
2. **Accessing Items:** Use the built-in pull-out handle to smoothly slide the drawer open. Retrieve or store items as needed.
3. **Closing the Drawers:** Gently push the drawer back into its housing until it is fully closed.

MAINTENANCE

To ensure the longevity and clarity of your Vtopmart storage drawers, please follow these maintenance guidelines:

- **Cleaning:** Clean the drawers with mild soap and warm water.
- **DO NOT use a dishwasher:** These drawers are not dishwasher safe. High heat can cause warping or damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as they may scratch or cloud the acrylic.

TROUBLESHOOTING

If you encounter any issues with your Vtopmart Stackable Storage Drawers, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Ensure the drawers are properly aligned within their housing. Check for any debris or obstructions in the tracks.

- **Drawers sliding too easily/not staying in place:** Verify that the silicone non-slip pads are correctly applied to the bottom of the outer box. If missing or worn, replace them.
- **Product appears cloudy or scratched:** Refer to the maintenance section for proper cleaning instructions. Avoid abrasive materials.

If problems persist, please contact Vtopmart customer support for further assistance.
