SAFETY INFORMATION

- Always assemble the wardrobe on a flat, stable surface.
- Do not exceed the stated weight capacities: 265 lbs. total, 22 lbs. per shelf, 44 lbs. for the hanging rod. Overloading can cause damage or injury.
- Ensure all components are securely connected before placing items inside.
- Keep small parts away from children to prevent choking hazards.
- This product is designed for indoor use only.
- Utilize the anti-tipping hardware provided to secure the wardrobe to a wall, especially in households with children or pets, to prevent accidental tipping.

PARTS LIST

Before beginning assembly, verify that all parts are present and undamaged. Refer to the diagram below for identification.

- Cabinet Frame (Integrated Folding Design)
- Door Panels (8 pieces)
- Shelves (5 pieces)
- Retractable Hanging Rod (1 piece)
- Connecting Buckles
- Anti-tipping Hardware

SETUP AND ASSEMBLY

The HOMCOM Portable Wardrobe Closet features an integrated folding design for effortless installation, requiring no tools.

1. **Unpack Components:** Carefully remove all parts from the packaging. Retain packaging materials until assembly is complete.
2. **Unfold the Frame:** Place the folded cabinet frame on a flat surface. Gently stretch and unfold the frame until it is fully extended and the internal compartments are formed.

OPERATING INSTRUCTIONS

Your HOMCOM Portable Wardrobe Closet is designed for convenient and versatile storage.

- **Opening and Closing Doors:** Each door is equipped with a magnet for firm closure, protecting your items from dust. To open, gently pull the door. To close, push until the magnet engages.
- **Connecting Buckles:** The connecting buckles allow you to link two doors together, enabling them to open simultaneously for wider access to compartments.

- **Utilizing Storage Space:**

- The multiple cube compartments are ideal for organizing shoes, folded clothing, bedding, and other accessories.
- The hanging area with the retractable rod is suitable for coats, gowns, and other garments that require hanging to prevent wrinkling.
- The top surface of the wardrobe can be used for storing lightweight items such as empty suitcases or duffle bags, provided the total weight limit is not exceeded.

MAINTENANCE

To maintain the appearance and longevity of your wardrobe, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these may damage the polypropylene and ABS materials.
- **Inspection:** Periodically check all connections and components to ensure they remain secure.

- **Storage:** If not in use, the wardrobe can be quickly disassembled and folded for compact storage.

TROUBLESHOOTING

If you encounter any issues with your wardrobe, consider the following common solutions:

- **Wardrobe feels unstable:** Ensure all panels are fully buckled into place. Check that the wardrobe is on a level surface. If necessary, secure it to a wall using the anti-tipping hardware.
- **Doors not closing properly:** Verify that the magnetic closures are aligned. Ensure no items are obstructing the door's path.
- **Difficulty folding/unfolding:** Ensure all items are removed from the wardrobe before attempting to fold or unfold. Follow the assembly steps in reverse for folding.
