SETUP

Initial Charging

Before first use, fully charge your Amkette Pocket Blast.

1. Connect the provided Type-C charging cable to the DC 5V port on the device.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The charging indicator on the device will illuminate. It will turn off or change color once fully charged.
4. A full charge typically takes approximately 2 hours.

Powering On/Off

Slide the ON/OFF switch located on the side of the device to power it on or off.

OPERATING INSTRUCTIONS

Bluetooth Mode

Connect your smartphone or other Bluetooth-enabled devices to the Pocket Blast for wireless audio streaming and hands-free calls.

1. Power on the Pocket Blast. It will automatically enter Bluetooth pairing mode (indicated by a flashing Bluetooth icon or voice prompt).
2. On your device, enable Bluetooth and search for available devices.
3. Select "Amkette Pocket Blast" from the list.
4. Once paired, the device will confirm the connection. You can now play audio from your connected device.
5. To answer/end calls, press the Play/Pause button. Use the built-in microphone for communication.

FM Radio Operation

Enjoy your favorite FM radio stations with clear reception.

1. Press the **M (Mode)** button until "FM" mode is displayed.
2. Extend the external antenna for optimal reception.
3. **Auto Scan:** Long press the **Play/Pause** button to automatically scan and save available FM stations.
4. **Manual Tuning:** Use the **Previous/Next Track** buttons to fine-tune the frequency.
5. **Direct Frequency Input:** Use the number pad to directly enter the desired FM frequency (e.g., 94.3 for 94.3 MHz).

FM Radio with External Antenna

Crystal Clear Reception with FM Frequency Display

Figure 6: FM Radio with External Antenna

MP3 Playback (USB/SD/AUX)

Play music from USB drives, Micro SD cards, or external audio devices.

1. **USB/SD Card:** Insert a USB flash drive or Micro SD card (with MP3 files) into the corresponding port. The device will automatically switch to USB/SD mode and begin playback. If not, press the **M (Mode)** button to select the correct mode.
2. **AUX Input:** Connect an external audio device (e.g., smartphone, laptop) to the AUX port using the provided 3.5mm audio cable. Press the **M (Mode)** button to select AUX mode.
3. Use the **Play/Pause** and **Previous/Next Track** buttons to control playback.
4. Use the number pad for direct song selection (e.g., enter "007" for the 7th song).

Figure 7: MP3 Player with Track Selection

Voice Recording

Record voice notes directly onto a connected USB drive or Micro SD card.

1. Ensure a USB drive or Micro SD card is inserted into the device.
2. Press the **REC** button to start recording. The display will show a recording indicator.
3. Speak clearly into the built-in microphone.
4. Press the **REC** button again to stop and save the recording.
5. To play back recordings, switch to USB/SD mode and navigate to the recorded files.

One-Click Voice Recording

Record Voice Notes Instantly without Mobile Phone

Figure 8: One-Click Voice Recording

FM Song Recording

Capture your favorite FM radio programs or songs directly from the radio.

1. Ensure a USB drive or Micro SD card is inserted into the device.
2. Switch to FM mode and tune to the desired station.
3. Press the **REC** button to start recording the FM broadcast. The display will show a recording indicator.
4. Press the **REC** button again to stop and save the recording.
5. Recorded FM songs will be saved on the inserted storage device.

Built-in FM Song Recorder

Capture Favourite Songs & Podcasts directly from FM Radio

CHARGING

The Amkette Pocket Blast is equipped with a rechargeable Lithium Ion battery.

- Use only the provided Type-C charging cable.
- Connect to a standard USB power source (5V/1A recommended).
- Avoid using damaged cables or chargers.
- Do not charge in extreme temperatures.
- The device offers over 7 hours of playback on a full charge (Bluetooth mode).

Figure 10: Extended Playback Time

MAINTENANCE

To ensure the longevity and optimal performance of your device, follow these maintenance guidelines:

- Keep the device dry. Avoid exposure to water or excessive humidity.
- Clean the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the device in a cool, dry place when not in use.
- Avoid dropping or subjecting the device to strong impacts.
- Do not attempt to disassemble or repair the device yourself. This will void the warranty.

TROUBLESHOOTING

If you encounter any issues with your Amkette Pocket Blast, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not power on.	Low battery; Power switch is off.	Charge the device fully; Ensure the ON/OFF switch is in the "ON" position.
No sound.	Volume too low; Incorrect mode selected; Device not paired (Bluetooth).	Increase volume; Press "M" button to select correct mode; Re-pair Bluetooth device.
Poor FM reception.	Antenna not extended; Weak signal area.	Fully extend the external antenna; Try moving to a location with better signal.
Cannot record.	No USB/SD card inserted; Storage full; Card format issue.	Insert a compatible USB/SD card; Delete old files or use a new card; Ensure card is formatted correctly (FAT32).
Bluetooth disconnects frequently.	Device too far from Pocket Blast; Obstructions; Interference.	Keep devices within 10 meters (33 feet); Remove obstructions; Avoid strong electromagnetic interference.
