5. OPERATING INSTRUCTIONS

5.1 Using the Tri-Fold Mirror

The dressing table features a tri-fold mirror, allowing for multiple viewing angles. The side mirrors can be adjusted up to 180 degrees to suit the user's preference. This design helps children observe themselves from various perspectives while playing or getting ready.

5.2 Detachable Top for 2-in-1 Functionality

The mirror assembly is designed to be detachable. To convert the dressing table into a study or writing desk, simply lift and remove the mirror top. This allows the table to grow with your child, adapting to different needs as they age.

- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the finish.
