## 2. SAFETY INFORMATION

---

For your safety and to prevent damage to the product, please adhere to the following guidelines:

- Always ensure all parts are securely fastened during assembly.
- An anti-tipping design is included for stability. It is crucial to attach the storage unit to the wall using the provided anti-tipping strap to prevent accidental tipping, especially in households with children or pets.
- Do not exceed the maximum weight capacity of 110 lbs (total), 22 lbs (top/bottom shelf), and 11 lbs (middle shelf).
- Place the cabinet on a flat, stable surface.

# ANTI-TIPPING

Equipped with an anti-tipper that can be wall-mounted for extra security

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed in the packaging are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet panels (top, bottom, sides, back)
- Sliding barn doors (2)
- Adjustable shelves
- Metal frame components
- Sliding door hardware (track, rollers, handles)
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tipping strap and wall anchors
- Instruction manual

## 4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Follow the step-by-step instructions provided in the package to assemble the cabinet. It is recommended to have two people for assembly. Ensure all parts are securely fastened and the anti-tipping strap is attached to the wall for stability.

**Key Assembly Points:**

- Begin by identifying all components and hardware.
- Assemble the main frame structure first, ensuring all connections are tight.
- Install the sliding door track securely before attaching the doors.
- Carefully attach the barn doors to the track, ensuring smooth movement.
- Insert the adjustable shelves into your desired positions.
- Finally, secure the anti-tipping strap to the back of the cabinet and to a wall stud using appropriate hardware.

## 5. OPERATING INSTRUCTIONS

---

The HOMCOM Industrial Buffet Cabinet is designed for versatile storage and display.

- **Sliding Barn Doors:** The cabinet features two sliding barn doors that move along a top track. Gently slide the doors left or right to reveal or conceal the interior compartments. This allows for flexible access to different sections of the cabinet.
- **Adjustable Shelves:** The interior shelves are adjustable, allowing you to customize the storage space to fit items of various heights. To adjust a shelf, remove any items, lift the shelf, and reposition the shelf pegs into the desired holes. Ensure the shelf is level and securely seated before placing items on it.
- **Storage Utilization:** Use the top surface for serving dishes or decorative items. The open shelves are suitable for display, while the areas behind the sliding doors can store items you wish to keep out of sight, such as cooking utensils or other belongings.

## SLIDING BARN DOOR

Provide easy access to the storage cabinet's sides

## 6. MAINTENANCE

To maintain the appearance and longevity of your cabinet:

- Clean the smooth MDF surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- Wipe spills immediately to prevent staining or damage to the wood finish.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- Keep the sliding door track free of debris to ensure smooth operation.

## 7. TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Doors not sliding smoothly:** Check the track for any obstructions or debris. Ensure the rollers are

properly seated on the track.

- **Cabinet wobbles:** Verify that the cabinet is placed on a level surface. Check all assembly fasteners for tightness. Ensure the anti-tipping strap is securely installed.
- **Missing parts:** Refer to the package contents list. If parts are genuinely missing, contact customer support for assistance.

## 8. SPECIFICATIONS

Feature	Detail
Brand	HOMCOM
Model Name	Side Cabinet (Model 839-413BN)
Product Dimensions	35.5" W x 13.5" D x 30" H
Item Weight	51.3 pounds
Weight Capacity (Total)	110 lbs
Weight Capacity (Top/Bottom Shelf)	22 lbs
Weight Capacity (Middle Shelf)	11 lbs
