

AGPTEK A09X

AGPTEK A09X MP3 Player User Manual

Model: A09X (SMPA09XPU)

1. INTRODUCTION

Thank you for choosing the AGPTEK A09X MP3 Player. This manual provides detailed instructions on how to set up, operate, and maintain your device. Please read this manual carefully before use to ensure optimal performance and longevity of your player.

2. SAFETY INFORMATION

- Do not expose the device to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the device to strong impacts.
- Do not disassemble or attempt to repair the device yourself. This will void the warranty.
- Use only the provided charging cable and accessories.
- Listen at moderate volume levels to prevent hearing damage.

3. PACKAGE CONTENTS

Please check the package for the following items:

- AGPTEK A09X MP3 Player
- USB Charging Cable
- Wired Earphones

- User Manual (this document)

4. PRODUCT OVERVIEW

The AGPTEK A09X features a sleek design with a 2.4-inch TFT color screen and intuitive controls. It includes a built-in speaker for convenient listening without earphones.

5. SETUP

5.1 Charging the Device

Before first use, fully charge the MP3 player. Connect the provided USB cable to the player's charging port and the other end to a USB power adapter (not included) or a computer's USB port. A full charge takes approximately 2.5 hours.

5.3 Transferring Files

To transfer music, videos, pictures, or e-books to your player:

1. Connect the MP3 player to your computer using the USB cable.
2. The player will appear as a removable disk drive on your computer.
3. Drag and drop your desired files into the appropriate folders on the player (e.g., 'Music', 'Videos', 'Pictures').
4. Safely eject the device from your computer before disconnecting the cable.

6.3 Bluetooth Connectivity

The player features upgraded Bluetooth 5.3 technology for faster, more stable connections and lower latency. To connect to Bluetooth headphones or speakers:

1. Go to the Bluetooth menu on your player.
2. Enable Bluetooth and search for available devices.
3. Select your Bluetooth headphones or speaker from the list to pair.

Advanced Bluetooth V5.3 Tech

6.5 Voice Recorder

The device includes a built-in voice recorder. Access this function from the main menu to record audio. Recordings are saved to the device's storage.

6.6 E-book Reader

The A09X supports e-book reading in TXT format. Transfer your TXT files to the player's e-book folder to enjoy reading on the go.

6.7 Pedometer

Utilize the built-in pedometer function to track your steps during physical activities. This feature is ideal for sports, yoga, running, and travel.

7. MAINTENANCE

7.1 Cleaning

Wipe the device with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.

7.2 Battery Care

To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.

8. TROUBLESHOOTING

- **Device not turning on:** Ensure the battery is charged. Connect to a power source and try again.
- **Cannot transfer files:** Ensure the USB cable is securely connected to both the player and the computer. Try a different USB port or cable. Ensure the player is in 'Charge & Transfer' mode if prompted.
- **Bluetooth connection issues:** Ensure the player and the Bluetooth device are within range. Unpair and re-pair the devices. Ensure no other Bluetooth devices are interfering.
- **Poor sound quality:** Check earphone connection. If using Bluetooth, ensure the connection is stable. For wired earphones, try a different pair to rule out faulty earphones.
- **FM Radio static:** Ensure wired earphones are properly connected as they act as the antenna. Try adjusting your location for better signal reception.

9. SPECIFICATIONS

Feature	Detail
Model Name	A09
Item Model Number	SMPA09XPU
