

## Inglesina Quid2

# Inglesina Quid Stroller (Model Quid2) Instruction Manual

This manual provides essential information for the safe and proper use, assembly, and maintenance of your Inglesina Quid Stroller. Please read thoroughly before use.

## 1. IMPORTANT SAFETY INFORMATION

To ensure the safety of your child and prevent accidents, always adhere to the following guidelines:

- Always use the 5-point safety harness to secure your child.
- Never leave your child unattended in the stroller.
- Ensure the stroller is fully open and all locking mechanisms are engaged before placing a child in it.
- Do not overload the storage basket. The maximum weight capacity is 10 lbs (4.5 kg).
- Do not hang bags or other items on the handle, as this can compromise the stroller's stability and cause it to tip over.
- This stroller is suitable for children from 3 months of age up to a maximum weight of 50 lbs (22.7 kg).
- Always engage the brake when the stroller is stationary.
- Keep children clear of moving parts during folding and unfolding operations.

## 2. PRODUCT OVERVIEW

The Inglesina Quid Stroller is a lightweight, compact travel stroller designed for convenience, comfort, and safety. Its features make it ideal for daily use and travel.

### 2.1 Included Components

Upon unpacking, verify that all the following components are present:

- Stroller Frame with Seat Fabric
- Canopy
- Bumper Bar

## 2.2 Key Features

- **Ultra-Compact Design:** Engineered to fit into most airplane overhead compartments, making it an ideal travel companion.
- **Lightweight Construction:** Weighs approximately 13 lbs (5.9 kg) for easy portability.
- **Comfortable Seating:** Features a multi-position reclining seat and an adjustable leg rest to ensure your child's comfort.
- **Extendable Canopy:** Equipped with UPF 50+ protection, a zippered extension for full sunshade, and a roll-up ventilation window for airflow and visibility.
- **Secure Harness System:** Includes a padded 5-point safety harness for maximum child security.
- **Smooth Maneuverability:** Features lockable swivel front wheels with suspension for a comfortable ride on various terrains.
- **Reliable Braking:** A convenient one-foot brake system ensures the stroller remains stationary when parked.
- **Ample Storage:** A spacious storage basket with reflective material provides visibility and space for essentials (max 10 lbs).

## 3. ASSEMBLY AND SETUP

---

Follow these steps to correctly assemble and prepare your Inglesina Quid Stroller for use.

### 3.1 Unfolding the Stroller

1. Place the folded stroller on a flat, stable surface.
2. Locate and release the side lock, if engaged.
3. Hold the main handle and lift the stroller upwards with a firm motion until the frame fully extends and clicks securely into the open position. Verify that all parts are locked.

### 3.2 Attaching the Bumper Bar

1. Align the ends of the bumper bar with the designated attachment points on the stroller frame, typically near the seat.
2. Push the bumper bar firmly into place until you hear a distinct click on both sides, indicating it is securely fastened.
3. To remove, press the release buttons on each side of the bumper bar and pull it away from the frame.

### 3.3 Adjusting the Canopy

The canopy is pre-attached. Simply extend it forward to provide shade. It can be retracted by pushing it back. The canopy also features a zippered extension for maximum coverage and a roll-up window for ventilation.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Opening and Folding the Stroller

The Quid stroller is designed for convenient opening and compact folding, making it suitable for travel and storage.

#### To Open:

1. Release the folding lock (if engaged from previous fold).
2. Hold the handle and lift the stroller upwards until it fully extends and locks into the open position. Ensure all frame components are securely locked.

#### To Fold:

1. Ensure the canopy is fully retracted and the seat is in an upright position.
2. Locate the folding mechanism (typically buttons or levers on the handle or frame). Activate the mechanism according to the specific design of your stroller.

3. Push the stroller downwards until it collapses into its compact form. Secure it with the folding lock for transport or storage.

## 4.2 Adjusting the Seat Recline

The seat offers multiple recline positions to accommodate your child's comfort, from active sitting to napping. Locate the recline strap or lever at the back of the seat. Adjust it to the desired angle by loosening or tightening the strap, or by moving the lever.

## 4.3 Adjusting the Leg Rest

The leg rest can be adjusted to provide ergonomic support for your child's legs. Press the release buttons located on either side of the leg rest and move it up or down to the desired position. Ensure it clicks into place.

## 4.4 Using the Safety Harness

The 5-point safety harness is crucial for your child's security. Always use it when your child is in the stroller.

1. Place your child in the seat, ensuring they are seated comfortably against the backrest.
2. Bring the shoulder straps over your child's shoulders and the waist straps around their waist.

3. Insert the buckles from the shoulder and waist straps into the central buckle until they click securely.
4. Adjust the straps to ensure a snug, secure fit without being too tight. The harness should be adjusted as your child grows.

## 4.5 Engaging the Brake

The stroller is equipped with a reliable one-foot brake system located near the rear wheels. To engage the brake, press the pedal downwards until it locks. To release, lift the pedal upwards. Always engage the brake when the stroller is stationary, especially when placing or removing your child.

## 4.6 Using the Canopy

The canopy provides essential sun protection (UPF 50+). Extend or retract it by pushing or pulling the front edge. For maximum coverage, unzip the extension. The roll-up window on the canopy allows for ventilation and provides a peek-a-boo window to check on your child.

# 5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and safe operation of your Inglesina Quid Stroller.

- **Cleaning Fabric Components:** The canopy and seat fabric are recommended for hand washing. Use a mild soap and cold water. Do not use bleach or harsh detergents. Allow to air dry completely before reassembly or storage.
- **Frame Care:** Wipe the aluminum frame with a damp cloth to remove dirt and dust. Dry thoroughly to prevent corrosion. Avoid abrasive cleaners.
- **Wheel Maintenance:** Regularly inspect the wheels for any accumulated dirt, hair, or debris. Clean them as needed to ensure smooth rotation. If any moving parts become stiff, a small amount of silicone-based lubricant can be applied.
- **Storage:** When not in use, store the stroller in a dry, cool place away from direct sunlight and extreme temperatures. Ensure it is clean and dry before storing.
- **Inspections:** Periodically check all fasteners, rivets, and connections to ensure they are secure. Replace any worn or damaged parts immediately.

# 6. TROUBLESHOOTING

This section addresses common issues you might encounter with your Inglesina Quid Stroller.

Problem	Possible Cause	Solution
Stroller does not open or fold smoothly.	Folding mechanism is stiff, obstructed, or not fully disengaged.	Ensure all locks are released. Check for any fabric or debris obstructing the mechanism. Apply a silicone-based lubricant to moving joints if necessary.
Wheels are difficult to maneuver or squeak.	Debris (e.g., hair, dirt) in wheel axles or swivel lock engaged.	Clean any debris from the wheel axles. Ensure the front swivel wheels are unlocked for full maneuverability. Lubricate axles if squeaking persists.

Problem	Possible Cause	Solution
Brake is not engaging or disengaging properly.	Brake mechanism obstructed or misaligned.	Check for any debris around the brake pedal and wheel brake mechanism. Ensure the pedal is fully pressed or lifted. If the problem persists, contact customer support.
Harness straps are difficult to adjust.	Straps are twisted or buckle is jammed.	Untwist any straps. Ensure the buckle components are clean and free of debris.

## 7. SPECIFICATIONS

- Brand:** Inglesina
- Model Number:** Quid2
- Color:** Maya Black
- Frame Material:** Aluminum
- Canopy Material:** Polyester
- Seat Material:** Polyester
- Tire Material:** Rubber
- Age Range (Recommended):** From 3 months to 50 lbs (22.7 kg)
- Item Weight:** 13 lbs (5.9 Kilograms)
- Open Dimensions (L x W x H):** 30" x 18.3" x 40.6" (76.2 cm x 46.5 cm x 103.1 cm)
- Folded Dimensions (W x H x D):** 18.3" x 22.8" x 6.8" (46.5 cm x 57.9 cm x 17.3 cm)
- Harness Type:** 5 Point, adjustable
