# CADA C61016W Endurance Racing Car Building Set User Manual

Model: C61016W | Pieces: 1586

## 1. Introduction

Thank you for choosing the CADA C61016W Endurance Racing Car Building Set. This manual provides essential information for assembling, operating, and maintaining your model. Please read it carefully before beginning assembly.

### 1.1 Safety Warnings

**WARNING: CHOKING HAZARD - SMALL PARTS. This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play, especially for younger users (recommended age 5 years and up).**
Keep all packaging materials away from children. Dispose of packaging responsibly.

## 2. Package Contents

The CADA C61016W Endurance Racing Car Building Set includes the following components:

- 1586 Building Blocks (various shapes and sizes)
- Illustrated Step-by-Step Instruction Manual
- Sticker Sheet for detailed decoration
- Additional components for technical vehicle architecture (e.g., suspension parts)

Please verify all parts are present before starting assembly. If any parts are missing, refer to the "Troubleshooting" section for assistance.

## 3. Assembly Instructions

Follow the included illustrated step-by-step guidance to assemble your CADA C61016W Endurance Racing Car. Take your time and ensure each connection is secure.

### 3.1 General Assembly Tips

- Organize your building blocks by color and type before starting.
- Refer to the instruction manual for each step, paying close attention to the orientation of pieces.
- Ensure all connections are firm to prevent parts from detaching during play.

- The assembly process is designed to enhance logical thinking and construction skills.

## 3.2 Key Structural Features

The CADA C61016W model features a detailed technical vehicle architecture, including an independent suspension system for both front and rear wheels. During assembly, you will construct these elements, which are crucial for the model's functionality and realistic appearance.

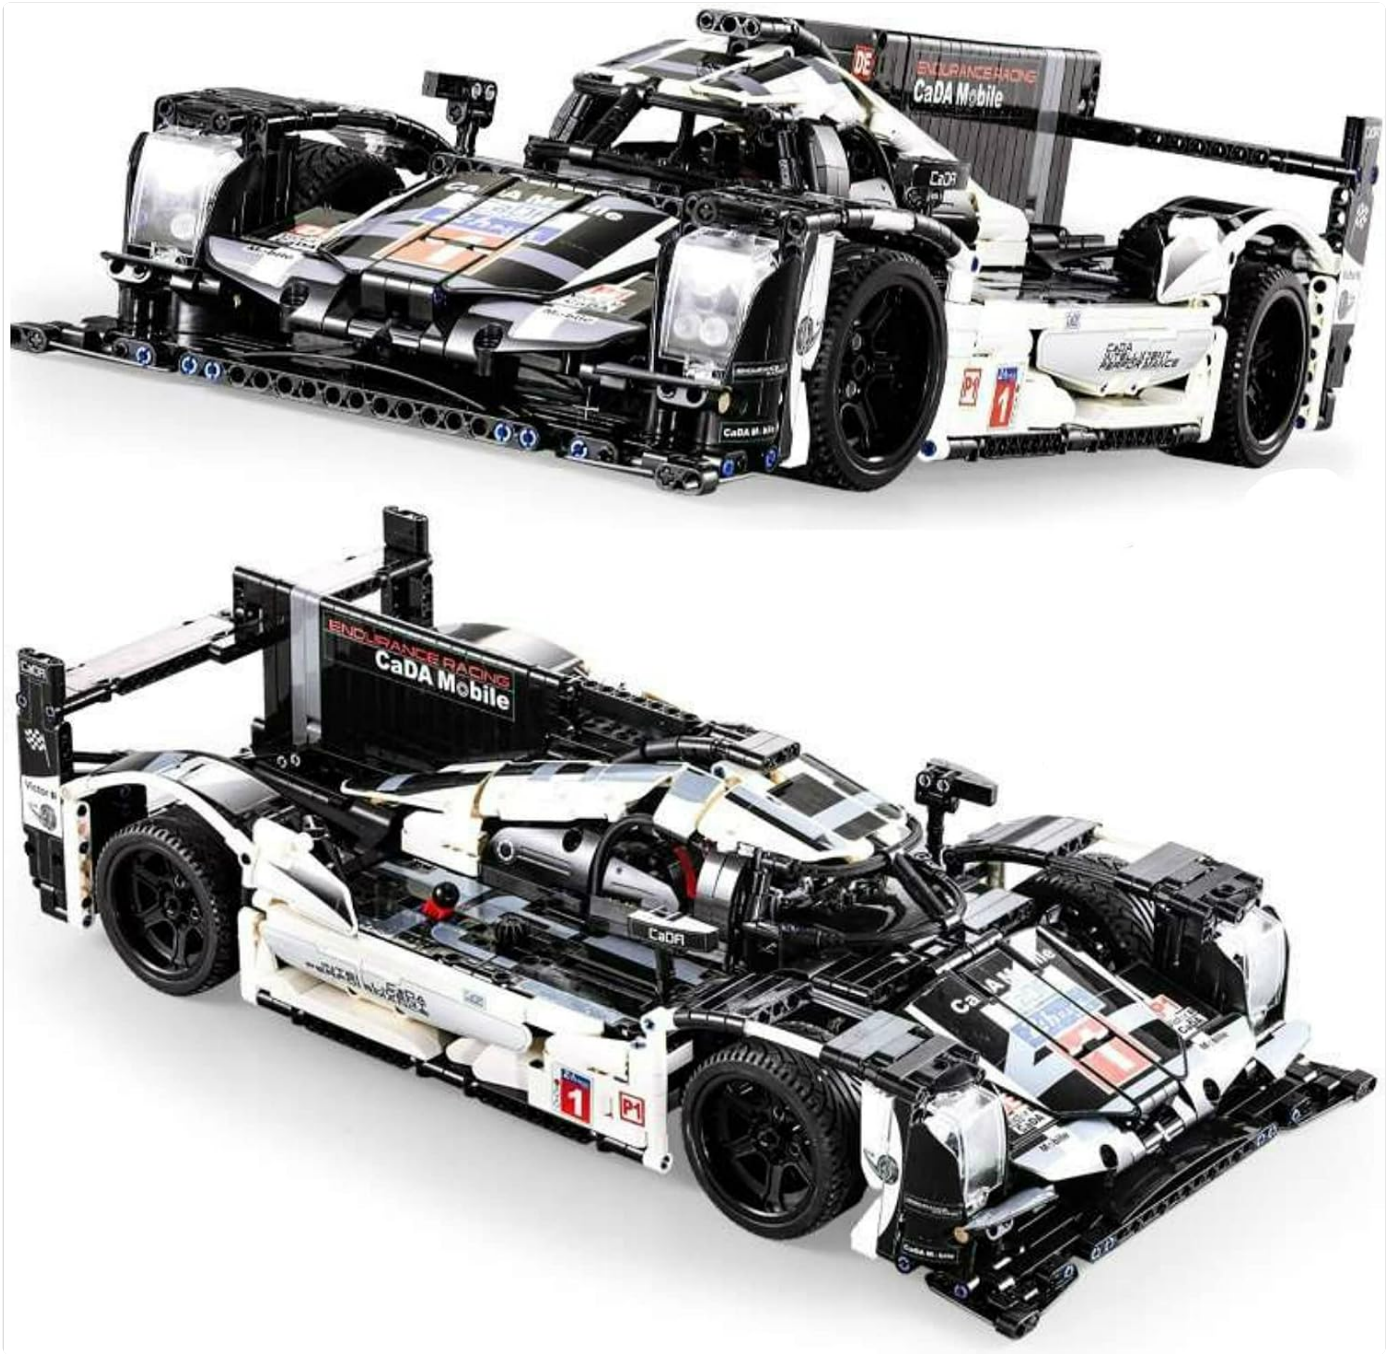

Figure 3.1: The fully assembled CADA C61016W Endurance Racing Car, showcasing its design from various perspectives.

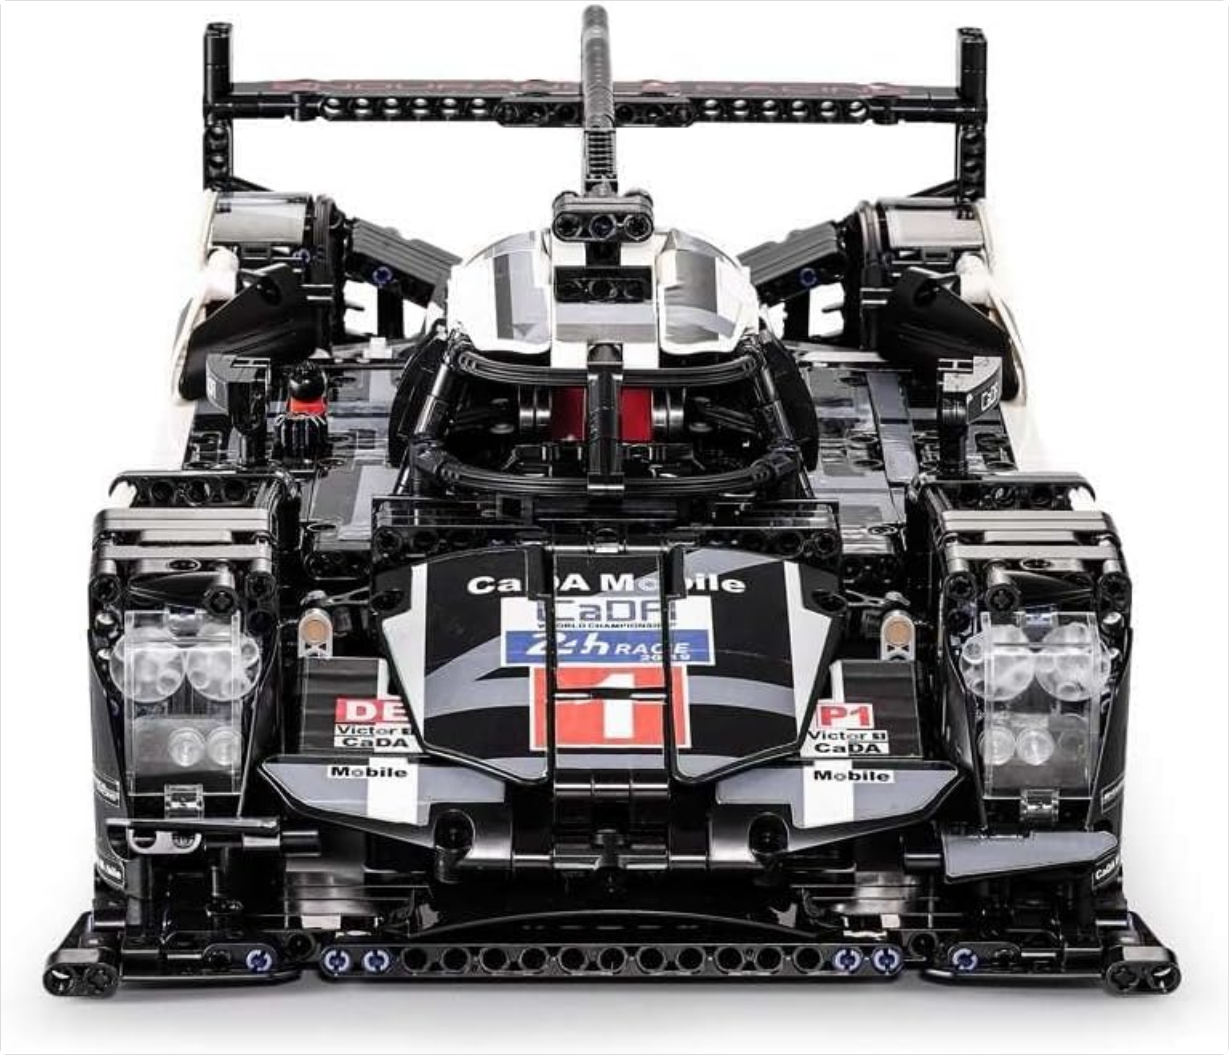

Figure 3.2: Front view of the assembled racing car, highlighting the detailed headlights and front air deflector.

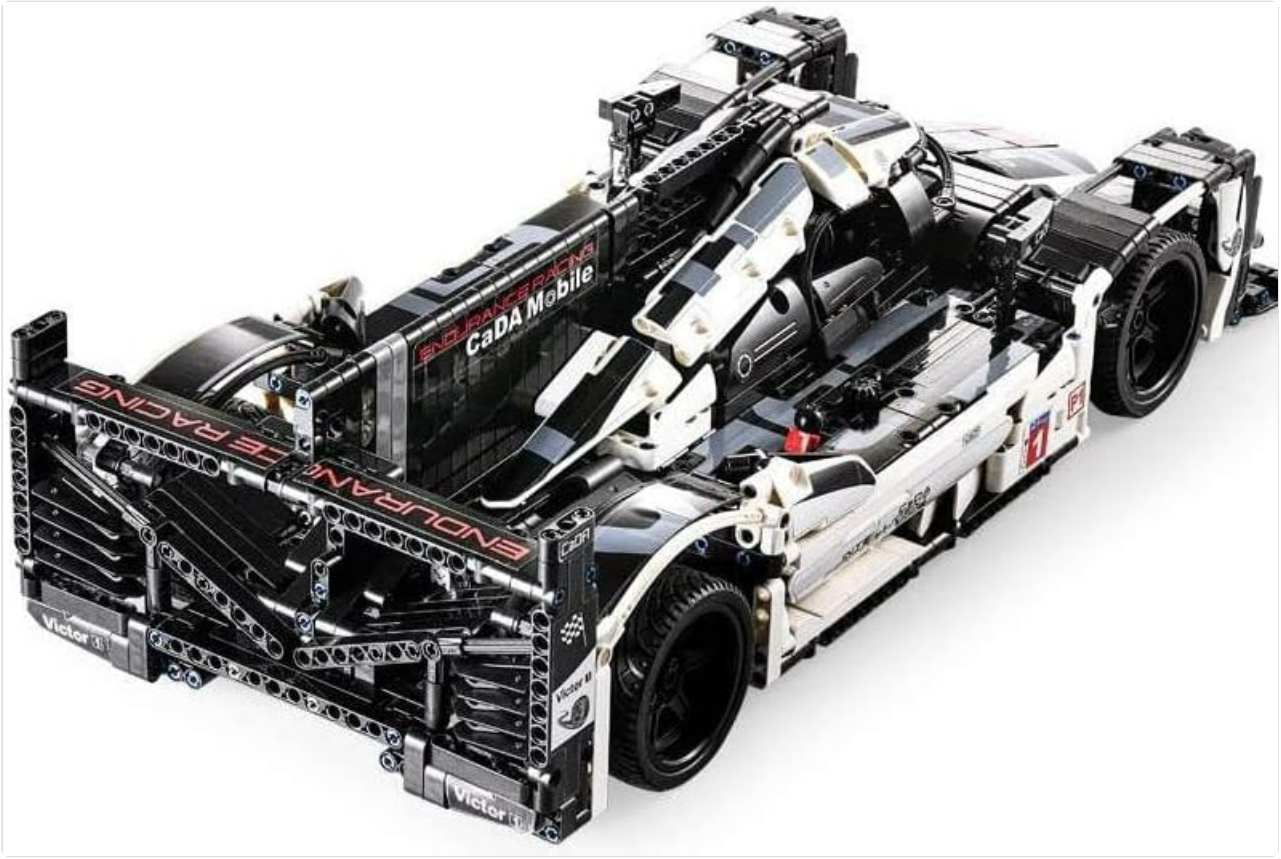

Figure 3.3: Rear view of the assembled racing car, showing the special rear wings and exhaust details.

# 4. Operating Your Model

Once assembled, your CADA C61016W Endurance Racing Car is ready for display or interactive play. The model features a high reproduction of a real racing car's appearance and includes functional elements.

## 4.1 Functional Features

- **Steering Wheel:** The model includes a detailed steering wheel.
- **Independent Suspension:** All four wheels are equipped with independent suspension and shock absorber springs. This design minimizes body inclination and vibration, providing a realistic feel.
- **Detailed Exterior:** Features include logo headlights, front air deflector, two rearview mirrors, roof air duct, side air duct, antenna, and special rear wings.

## 4.2 Optional Remote Control Functionality

The CADA C61016W model is designed to be compatible with an optional power module for remote control functionality. This module is sold separately and allows for motorized movement and steering.

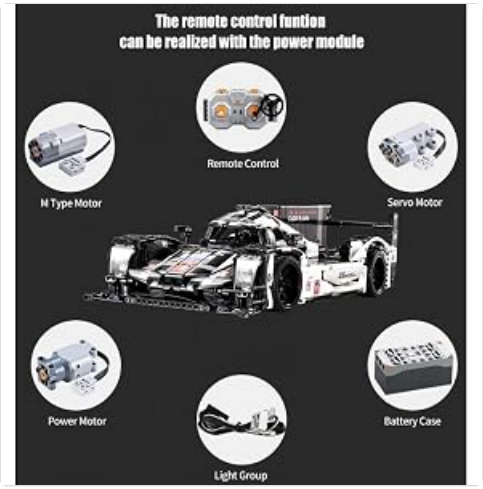

Figure 4.1: Illustration of optional power module components (Remote Control, N Type Motor, Servo Motor, Power Motor, Battery Case, Light Group) that can be integrated for remote control functionality. These components are not included in the standard building set.

If you wish to upgrade your model with remote control capabilities, please refer to the separate instructions provided with the CADA power module.

# 5. Maintenance

Proper care will ensure the longevity of your CADA building set.

- **Cleaning:** To clean the building blocks, wipe them gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or disassembled blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

# 6. Troubleshooting

If you encounter any issues during assembly or operation, please refer to the following common solutions:

- **Missing Parts:** Carefully check all packaging and the surrounding area. If parts are genuinely missing, please contact CADA customer support (see Section 8) with details of the missing components.

- **Difficulty Connecting Parts:** Ensure you are using the correct parts for each step and that they are oriented correctly. Apply gentle, even pressure. Do not force parts together, as this may cause damage.
- **Model Instability:** Re-examine the connections in the affected area. Loose connections can lead to instability. Ensure all blocks are firmly pressed together.
- **Functional Issues (e.g., wheels not turning smoothly):** Check for any misaligned or incorrectly assembled parts that might be obstructing movement. Ensure the independent suspension components are correctly installed.

## 7. Specifications

| Feature | Detail |
|---|---|
| Brand | CADA |
| Model Name | CaDA C61016W Sports-Car |
| Model Number | C61016W |
| Number of Pieces | 1586 |
| Material | Plastic (Environmentally friendly ABS materials) |
| Color | Black and White |
| Theme | Vehicle (Endurance Racing Car) |
| Recommended Age | 5 years and up (Manufacturer Minimum Age: 60 months) |
| Educational Objective | Construction Skills, Logical Thinking, Self-Confidence |
| Item Dimensions (L x W x H) | 46 x 10.5 x 38 centimetres (Packaging dimensions) |
| Item Weight | 2 Kilograms |
| Manufacturer | DOUBLE EAGLE INDUSTRY (CHINA) LIMITED |
| Assembly Required | Yes |

## 8. Warranty and Support

### 8.1 Product Warranty

CADA products are manufactured to high-quality standards. For specific warranty information regarding manufacturing defects or missing parts, please refer to the documentation included with your purchase or contact the retailer where the product was acquired.

### 8.2 Customer Support

If you have any questions, require assistance with assembly, or need to report missing/defective parts, please contact CADA customer support or your retailer. When contacting support, please provide your product model number (C61016W) and details of your issue.
