Flash Furniture RUT-NC499A-GY-GG

Flash Furniture HERCULES Series Commercial Stack Chair User Manual

Model: RUT-NC499A-GY-GG

Introduction

This manual provides instructions for the Flash Furniture HERCULES Series Commercial Stack Chair, designed for various commercial and home environments. This chair features a durable gray perforated plastic back, a black powder-coated steel sled base, and an ergonomic contoured design with built-in lumbar support. It is built to withstand frequent use and offers convenient storage capabilities.

Setup

The Flash Furniture HERCULES Series Commercial Stack Chair requires no assembly. It arrives fully assembled and ready for immediate use.

1. **Unpacking:** Carefully remove the chair from its packaging. Ensure all protective wrapping is removed from the chair, including any material around the legs.
2. **Placement:** Position the chair in your desired location.
3. **Floor Glides Check:** Verify that the fixed anti-tip plastic floor glides on the bottom of the sled base are properly oriented to protect your flooring. If any glides appear misaligned, gently rotate them into the correct position.

Operating Instructions

This chair is designed for comfortable and versatile seating. Its features enhance usability in various settings.

- **Seating:** The chair features an ergonomic contoured design with built-in lumbar support for comfort during extended periods of sitting. The perforated plastic back and seat promote airflow.
- **Stacking:** For efficient storage, transport, or floor maintenance, these chairs can be stacked up to 5 high. To stack, lift one chair and carefully place it onto another, aligning the legs and seat.
- **Space Saving:** The armless design allows the chair to be fully tucked under most tables, optimizing floor space when not in use.

Maintenance

Proper care will extend the life and appearance of your chair.

- **Cleaning:** The chair can be easily cleaned with a damp cloth. For more thorough cleaning, use a solvent and water-based cleaner, such as foam. Avoid abrasive cleaners that may damage the finish.
- **Inspection:** Periodically inspect the chair for any loose components or damage. Ensure the floor glides are intact

and functioning correctly to prevent floor scratches.

Troubleshooting

The HERCULES Series Commercial Stack Chair is designed for durability and minimal issues. Should you encounter any concerns, consider the following:

- **Unstable Chair:** If the chair feels unstable, check that it is placed on a flat, even surface. Also, ensure the plastic floor glides are correctly positioned and not worn out.
- **Floor Scratches:** If you notice scratches on your floor, inspect the plastic floor glides for damage or misalignment. Replace damaged glides if necessary.
