Bburago 18-22114

Bburago Dodge Viper SRT 10 ACR 1:24 Scale Die-Cast Model Instruction Manual

Model Number: 18-22114

Introduction

This instruction manual provides essential information for the Bburago Dodge Viper SRT 10 ACR 1:24 scale die-cast model. This highly detailed replica is crafted from metal with plastic components, offering an authentic representation of the iconic vehicle. It features several movable parts for enhanced interaction and display.

Safety Information

This product is recommended for ages 3 years and up. It contains small parts which may pose a choking hazard to children under 3 years of age. Adult supervision is advised during play.

Product Features

- **Metal Model with Plastic Parts:** Constructed with a durable metal body and intricate plastic details.
- **Movable Elements:** The model features an opening hood (mask) and opening doors, allowing for a view of the detailed interior and engine bay.
- **Officially Licensed:** An authentic replica of the Dodge Viper SRT 10 ACR.
- **Perfect Detailing:** Meticulously reproduced details for a realistic appearance.
- **Ideal for Model Collectors:** A high-quality addition to any die-cast car collection.

Setup

1. **Unboxing:** Carefully remove the model from its packaging. The model may be secured with screws or ties; use appropriate tools if necessary to avoid damage.
2. **Initial Inspection:** Inspect the model for any loose parts or damage that may have occurred during shipping.
3. **Placement:** Choose a stable, flat surface for display, away from direct sunlight or extreme temperatures to preserve the model's finish.

Operating the Model

This Bburago die-cast model is designed for display and gentle play. It is not a remote-controlled vehicle.

- **Opening Doors:** Gently pull the doors outward to open them and view the interior.
- **Opening Hood:** Carefully lift the front section (mask/hood) to reveal the detailed engine compartment.
- **Rolling Function:** The model features rubber tires that allow it to roll smoothly on flat surfaces.

Maintenance

- **Cleaning:** Use a soft, dry cloth to gently wipe the model and remove dust. Avoid abrasive cleaners or solvents, as they may damage the paint finish.
- **Storage:** Store the model in a cool, dry place, away from direct sunlight and extreme temperature fluctuations to prevent material degradation and paint fading.
- **Handling:** Handle the model with care to avoid bending or breaking small parts, such as mirrors or spoilers.

Troubleshooting

- **Stiff Movable Parts:** If doors or the hood are stiff, apply gentle, even pressure. Avoid forcing them open.
- **Minor Scratches/Blemishes:** Due to the nature of die-cast models, minor imperfections may occur. These are generally not considered defects.

- **Loose Parts:** If any small plastic parts become loose, they can often be reattached with a small amount of model-safe adhesive.
