## 4. OPERATING INSTRUCTIONS

### 4.1. Two-Way Trifold Stand

The magnetic trifold cover can be folded into two stable stand positions for optimal viewing or writing angles.

- **Viewing Mode:** Fold the cover into a triangular stand to prop up your iPad for watching videos or making video calls.
- **Writing Mode:** Fold the cover into a lower angle for comfortable typing or drawing with your Apple Pencil.

# Stable Trifold Stand

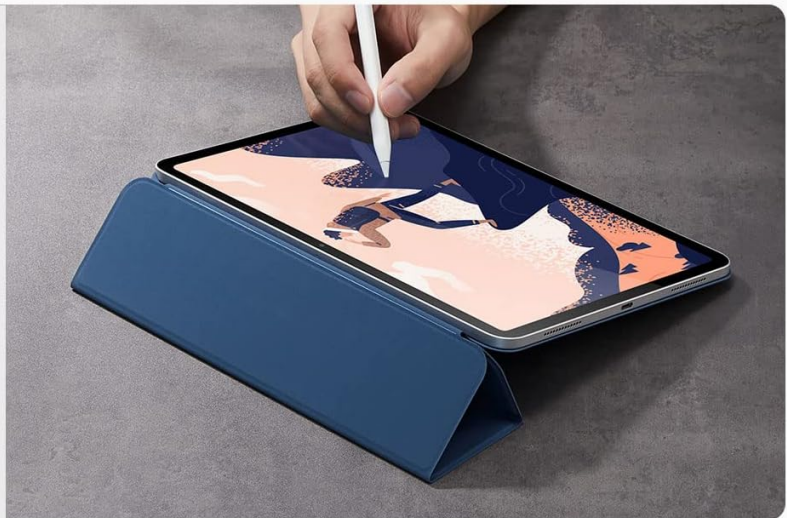

2 stand positions for added versatility

**Video 4.2:** This video demonstrates the versatility of the ESR Rebound Magnetic Case, showcasing its two-way trifold stand for both viewing and writing modes.

## 4.2. Auto Sleep/Wake Function

The case supports the iPad's auto sleep/wake feature. Opening the cover will instantly wake your iPad, and closing it will put your iPad to sleep, helping to conserve battery life.

# Instant Auto Sleep/Wake

Reacts instantly to maximize battery life

Figure 4.2: The case automatically wakes the iPad when opened and puts it to sleep when closed.

## 5. MAINTENANCE AND CARE

The advanced material of the case provides powerful stain resistance. To clean, simply wipe off smudges and pen marks with a damp microfiber cloth. This helps ensure your case maintains its appearance over time.

# Smooth and Grippy

Rubberized surface provides a comfortable grip

**Figure 5.1:** The case features a smooth, grippy surface for comfortable handling and easy cleaning.

## 6. LIGHTWEIGHT PROTECTION

The ESR Rebound Series Magnetic Case is designed to protect your iPad from drops and bumps without adding significant bulk. Its slim profile (2.5 mm thickness) and light weight (260 g) ensure convenient portability while offering comprehensive protection for all edges and corners.

# Lightweight Protection

Defends against scratches without the bulk

## 8. TROUBLESHOOTING

### 8.1. Magnetic Attachment Issues

If the magnetic attachment feels weak or the iPad does not seem securely held, ensure that the iPad is correctly aligned with the case. Remove any debris or foreign objects between the iPad and the case that might interfere with the magnetic connection.

### 8.2. Auto Sleep/Wake Not Functioning

If the auto sleep/wake feature is not working, check the following:

- Ensure the case is properly aligned and fully closed.
- Verify that the 'Lock/Unlock' setting is enabled on your iPad. Go to **Settings > Display & Brightness > Lock/Unlock** and ensure it is turned on.

## 9. WARRANTY AND SUPPORT

ESR provides a comprehensive 12-month protection plan for this product. For detailed setup videos, frequently asked questions (FAQs), unlimited support, or personalized help, please visit the official ESR support website or contact customer service directly. Contact information can typically be found on the product packaging or the ESR brand website.
